Banking Her - Max Monroe 2016-09-13

When one Rulebook closes... Thatch and Cassie have finally found their perfect balance of good and sweet, crazy and playful, and most importantly, hot and insatiable. But what happens when they're faced with a surprise neither of them plotted or schemed? While Cassie seems to be taking everything in stride, Thatch can't stop himself from worrying about every little thing revolving around the woman he loves. How does a man handle that kind of anxiety? Doing the only thing he can to ease his mind without pushing away the woman he loves, Thatch proves that once again, when it comes to him and Cass, you'll never see what's coming. Another Playbook begins... Wes Lancaster has always followed one guideline for play. He never gets involved with anyone working for his professional football team, the New York Mavericks. It hasn't been a hard rule to live by. Until Winnie Winslow, the new take-no-sh*t team physician. She's beautiful, intelligent-and has no problem taking control of every situation. She pisses him off. She turns him on. As tension builds and desire heightens, Wes finds himself wondering how much longer he'll be able to follow his gameplan.

The Ultimate Cigar Book - Richard Carleton Hacker 2015-06-02

This classic guide to the world of cigars covers everything from their history and traditions to tips on selecting, storing and enjoying the perfect cigar. Written by Richard Carleton Hacker, one of the world's most acclaimed pipe and cigar authors, *The Ultimate Cigar Book* offers a highly informative and engaging exploration of virtually every facet of cigar making and smoking. A classic of cigar literature since it was first published in 1993, this fourth edition continues to set the standard for today's aficionados. Combining insider knowledge with a raconteur's wit, Hacker takes readers on a world tour of cigars. Starting with a history of cigar smoking, he then delves into the various ways cigars are made

today. Hacker shares the secrets of finding the "perfect" cigar, the time-honored rituals of smoking, and the best techniques for care and storage. He also discusses a range of popular cigar accessories, and even suggests which beers, wines, whiskeys, brandies, and cognacs go with what cigars. After a colorful recap of cigar smoking celebrities, Hacker concludes with an international compendium of virtually every cigar brand known today, complete with historical profiles and observations on taste according to the author's personal—and admittedly prejudiced—ratings. If that was not enough, there is even a dictionary of CigarSpeak!

Becoming Holmes - Shane Peacock 2014-04-22

It is the summer of 1870 in London, and death seems to be everywhere; at least it feels that way to Sherlock Holmes. Almost seventeen now, he cannot shake the blackness that has descended upon him: he has lost his

dear father; his mentor, Sigerson Bell, is growing gravely ill; Irene Doyle, the object of his affections, has left for America; his longtime admirer, Beatrice Leckie, has chosen another suitor; and the death of the great Charles Dickens fills the city with an impending sense of doom. And out there somewhere in that darkness, Sherlock's great enemy, the villainous Malefactor, is spinning his web of evil, planning who knows what. Only one thing can rouse the young detective from the depths of despair: the possibility of justice. Through information gleaned from his brother, Mycroft, Holmes uncovers a new and terrible plot unleashed by his nemesis. Malefactor has infiltrated the British government, employing his nefarious agents, Grimsby and Crew, to help him begin his ascent to complete control. Prepared to do anything to stop this criminal infestation, Sherlock sets out to destroy his rival and bring down him and his henchmen--once and for all. He soon sets off on a twisting trail of death and desperation that eventually leads him to a legendary, abandoned graveyard in the heart of the city. Everything in the brilliant boy's life changes as death knocks again.... But in this shocking and spine-tingling conclusion to the series, Sherlock Holmes transforms, becoming the immortal master of criminal detection.
