It's a coloring book, a storybook, and more! You can color just the pages you want, and enjoy it like any fine coloring book. Or finish them all and create a wonderful storybook, a keepsake all your own, or one to lovingly share with children and grandchildren. Imagine their excitement and delight -- and yours too! -- when you read to them from a book you helped illustrate yourself! It's a gift your loved ones can treasure forever, a true family heirloom. But that doesn't make it harder -- in fact, it makes it easier to get stunning results! For tips, search online for "grayscale coloring."

//////////////////////////////////// ABOUT THE CHILDREN'S BOOK This coloring book is adapted from the children's picture book "The Baker's Dozen: A Saint Nicholas Tale," retold by Aaron Shepard and illustrated by Wendy Edelson. It is still available, in a new edition from Skyhook Press with bonus

cookie recipe and pattern. ABOUT THE ARTIST Wendy Edelson has applied her award-winning skills to a wide range of illustration projects, including picture books, pet portraits, posters, and puzzles. Among her clients have been Seattle's Woodland Park Zoo, the Seattle Aquarium, Pacific Northwest Ballet, the U.S. Postal Service, Cricket Magazine, McGraw-Hill Education, and the American Library Association. More recent projects have included producing coloring pages for Etsy and illustrating Quackling, another retelling of Aaron's. The pictures in this coloring book were converted to grayscale by Skyhook Press from Wendy's original watercolor illustrations. ABOUT THE AUTHOR Aaron Shepard is the award-winning author of many children's books from publishers large and small. Once a professional storyteller, Aaron specializes in lively retellings of folktales and other traditional literature, which have won him honors from the American Library Association, the New York

Public Library, the Bank Street College of Education, the National Council for the Social Studies, and the American Folklore Society. After first hearing the legend of the baker's dozen from storyteller Sheila Dailey, Aaron retold the story himself with the help of texts dating as far back as 1896.

Santa's Christmas - Ruth Sanderson 2017-09

These 24 classic Christmas images by Ruth Sanderson have been carefully converted to grayscale from her illustrated edition of *THE NIGHT BEFORE CHRISTMAS*, as well as images from the many Holiday collector's plates she has created over the years for Lenox. There is a bonus section of 12 selected images repeated, for a total of 36 pictures to color. Colored pencils work beautifully over grayscale images and help give realism and depth to the final colored image. This book will make a lovely holiday gift that families can share. The pictures are printed single-sided on 55lb. pure white paper. Please note that this paper takes colored pencils very well but that markers are not as suitable on the paper or for grayscale coloring in general. Try out grayscale coloring with free samples to
