Benedict Hall - Cate Campbell
2013-06-01

In this richly layered debut novel, Cate Campbell introduces the wealthy Benedict family and takes us behind the grand doors of their mansion, Benedict Hall. There, family and servants alike must face the challenges wrought by World War I--and the dawn of a new age brimming with scandal, intrigue, and social change. Seattle in 1920 is a city in flux. Horse-drawn carriages share the cobblestone streets with newfangled motor cars. Modern girls bob their hair and show their ankles, cafés defy Prohibition by serving dainty teacups of whisky to returning vets--and the wartime boom is giving way to a depression. Even within the Benedicts' majestic Queen Anne home, life is changing--above and below stairs. Margot, the Benedicts' free-spirited daughter, struggles to succeed as a physician despite gender bias--and personal turmoil. The household staff, especially longtime butler Abraham Blake, have always tried to protect Margot from her

brother Preston's cruel streak. Yet war has altered Preston too--not for the better. And when a chance encounter brings a fellow army officer into the Benedict fold, Preston's ruthlessness is triggered to new heights. An engineer at the fledgling Boeing company, Frank Parrish has been wounded body and soul, and in Margot, he senses a kindred spirit. The Washington Decree -

Jussi Adler-Olsen 2019-08-06
The New York Times and #1
internationally bestselling
author of the Department Q
series is back, with a
terrifyingly relevant stand-
alone novel about an America
in chaos. Sixteen years before
Democratic Senator Bruce
Jansen was elected president of
the United States, a PR stunt
brought together five very
different people: fourteen-year-
old Dorothy "Doggie" Rogers,
small-town sheriff T. Perkins,
single mother Rosalie Lee,
well-known journalist John
Bugatti, and the teenage son of
one of Jansen's employees,
Wesley Barefoot. In spite of
their differences, the five
remain bonded by their shared
experience and devotion to
their candidate. For Doggie,
who worked the campaign trail
with Wesley, Jansen's election
is a personal victory: a job in
the White House, proof to her
Republican father that she was

right to support Jansen, and
the rise of an intelligent, clear-
headed leader with her same
ideals. But the triumph is
short-lived: Jansen's pregnant
wife is assassinated on election
night, and the alleged
mastermind behind the
shooting is none other than
Doggie's own father. When
Jansen ascends to the White
House, he is a changed man,
determined to end gun violence
by any means necessary.
Rights are taken away as
quickly as weapons.
International travel becomes
impossible. Checkpoints and
roadblocks destroy
infrastructure. The media is
censored. Militias declare civil
war on the government. The
country is in chaos, and
Jansen's former friends each
find themselves fighting a very
different battle, for themselves,
their rights, their country . . .
and, in Doggie's case, the life
of her father, who just may be
innocent.

Lost Downtown - Peter Hujar 2016-02

It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets

between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hujar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John

Waters, Robert Wilson, David Wojnarowicz.

Kiss Me Forever/Love Me Forever - Rosemary Laurey
2004-09-01

Kiss Me Forever He's Hot. He's Sexy. He's Romantic. He's Immortal. If there is one thing Dixie LePage does not need in

her life, it's complications. And the man sitting across the table from her in a crowded English pub, the one offering to buy the library of her inherited estate in a small English village, is a major complication. For starters, there's the broad shoulders. The slightly amused smirk. That smoldering look that makes it impossible to concentrate. And that infuriating, old-fashioned, and well, okay, incredibly appealing sense of chivalry. No doubt about it, the guy is hot and sexy. Of course, there is one wee little problem: He claims to be a vampire named Christopher Marlowe, as in THE Christopher Marlowe, famous playwright, contemporary of Will Shakespeare. Right. Amend that to hot, sexy, and totally insane. Please see "no more complications." So why can't Dixie seem to resist the warmth of Christopher's charm, the protective feel of his strong hands, or the tempting pull of his full mouth when the sun goes down. . .? Love Me Forever Does This

Come In My Size? Justin Corvus. That was the name of the gorgeous, dark-eyed charmer holding her hand in a sensual clasp, turning her knees into jelly. All struggling, single mother Stella Schwartz meant to do was let her son, Sam, browse through books at Dixie's Vampire Emporium. She hadn't counted on the shop assistant being a stylish super-hunk with the kind of Hugh Grant accent that makes a woman's thoughts wander through a neighborhood called Take Me Now, Please. And to top it off, the man's a sweetheart. The way he picked up on the fact that she didn't have two red cents for the Halloween costume Sam wanted but made it happen anyway? Total head-over-heels time. When Justin smiles at her, it's as if he's known her forever. . .and when he asks for her phone number--to let her know when the costume is ready, of course--Stella can't help wanting this feeling to go on forever. There's something very different about Justin Corvus. . .different and

The Brontes at Haworth - Ann Dinsdale 2013-05-01

The three Brontë sisters -

Anne, Charlotte and Emily – moved to Haworth Parsonage as children in 1820. It was there, on the edge of the dramatic landscape of the Yorkshire Moors, that they produced some of the most memorable, influential and best-loved novels in the English language. Ann Dinsdale paints a detailed picture of everyday life at Haworth in the 1840s, recounting the Brontë family history and describing the local village and surrounding countryside. She goes on to consider the Brontës' poetry and novels in the context of their socio-historic background. This book provides fascinating insight into the lives of the authors of *The Tenant of Wildfell Hall*, *Jane Eyre* and *Wuthering Heights* and will be a must for both literature students and Brontë admirers. It is illustrated with numerous rarely seen images from the Haworth archives, including drawings by Charlotte and Emily, together with evocative pictures by local photographer Simon Warner.
