**Moments of Grace** - Laurie Blefeld 2018-04-18

Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of *Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices* "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

**Huju** - Jonathan P. J. Stock 2003-04-10

China has over three hundred distinct styles of music drama, from exorcism theatre to farce, historical romance, and shadow puppetry. This study considers one of the newer operatic forms. Established just two centuries ago, huju (Shanghai opera), is renowned for its portrayal of ordinary people, not the emperors, courtesans, and heroes of older forms. Acting and make-up aim for realism rather than symbolism, and stories deal with contemporaneous themes: the struggles of lovers to marry, women's rights after the Communist revolution (1949), and life under the new social order established by Deng Xiaoping's reforms in the 1980s. Music ranges from local folksong to syncretic adoptions of Western popular music. Jonathan Stock is an authority on Chinese music, with previous books on Chinese flute and violin solos and Abing, a twentieth-century composer. Adding to his extensive research on Chinese music, Stock's eighteen months of fieldwork in Shanghai allows him to interweave material from historical reports, sound recordings, live performance, and the first-hand accounts of three generations of singers into a study of a unique Chinese opera form seen equally as historical tradition, venue for social action, and forum for musical creativity. Assessing first the roots of huju in local folksong and ballad, he looks at the enduring role of emotional expressivity. He next focuses on the rise of actresses, laying out a specially 'musical' reading of gendered performance. Further chapters reverse conventional ethnomusicological arguments that music constructs place by looking at how Shanghai's institutions before 1949 shaped the environment within which troupes developed new dramatic materials and competed for work. In considering reforms post-1949, the author shows how the infusion of explicit political content actually weakened the expressive impact of these dramas. Finally, developments since 1980 are reviewed. The book includes songs and illustrations of performance styles. An innovative combination of urban and historical ethnomusicology, the book's findings will engage the historian of China and general scholar of music alike.

**Diary of a Mad Bride** - Laura Wolf 2015-06-17

Once I was a sane, levelheaded professional woman. Then I said "yes." Now I am the lunatic bride I always made fun of! What is it about getting married that turns normal people into total freaks? A savvy, riotously funny novel, *Diary of a Mad Bride* is for anyone who has ever been a

bride, is about to become a bride, yearned to be a bride, or suffered the sheer indignity of appearing in public in the world's ugliest bridesmaid dress.... My wedding was starting in less than twenty minutes, and I was stuck in a 7-Eleven parking lot with popcorn kernels wedged in my gums and vanilla ice cream melting on my dress. It was a disaster too large to comprehend. After an agonizing year spent planning my wedding, could it really end like this? The voices chronicling a year of wedding hysteria swirled in my head.... — My grandmother upon viewing my engagement ring: "What do you mean he gave you an emerald! Diamonds are eternal, emeralds say, maybe five years." — My future father-in-law on the night of my engagement party: "To a happy marriage and, if necessary, a painless divorce!" — My best friend, Anita: "Oh, screw congratulations. Of course I'm happy for you. Stephen's a major piece of ass and he's got a sense of humor. Just as long as you're certain this is what you want." Would I survive this day after all....?

**After January** - Nick Earls 2012

This January is different. It s as though the future is held here. Held at bay, held at more than arm s length. And the waiting is everywhere. School is over for Alex Delaney and he s waiting for his university offers only seventeen days away. The waiting is killing him. He s not expecting much from January. Bodysurfing, TV, but mainly waiting. So he s not ready for the girl who cuts past him on a wave. Not at all prepared for her perfect balance, compelling green eyes, and gold skin. January is about to change."

**The Oxford Handbook of Japanese Cinema** - Daisuke Miyao 2014

This book provides a multifaceted single-volume account of Japanese cinema. It addresses productive debates about what Japanese cinema is, where Japanese cinema is, as well as what and where Japanese cinema studies is, at the so-called period of crisis of national boundary under globalization and the so-called period of crisis of cinema under digitalization.

XXXXX - Martin Howse 2006

xxxxx proposes a radical, new space for artistic exploration, with essential contributions from a diverse range of artists, theorists, and scientists. Combining intense background material, code listings, screenshots, new translation, [the] xxxxx [reader] functions as both guide and manifesto for a thought movement which is radically opposed to entropic contemporary economies. xxxxx traces a clear line across eccentric and wide ranging texts under the rubric of life coding which can well be contrasted with the death drive of cynical economy with roots in rationalism and enlightenment thought. Such philosophy, world as machine, informs its own deadly flipside embedded within language and technology. xxxxx totally unpicks this hirosimic engraving, offering an dandyish alternative by way of deep examination of software and substance. Life coding is primarily active, subsuming deprecated psychogeography in favour of acute wonderland technology, wary of any assumed transparency. Texts such as *Endonomadology*, a text from

celebrated biochemist and chaos theory pioneer Otto E. Rössler, who features heavily throughout this intense volume, make plain the sadistic nature and active legacy of rationalist thought. At the same time, through the science of endophysics, a physics from the inside elaborated here, a delicate theory of the world as interface is proposed. xxxxx is very much concerned with the joyful elaboration of a new real; software-led propositions which are active and constructive in eviscerating contemporary economic culture. xxxxx embeds Perl Routines to Manipulate London, by way of software artist and Mongrel Graham Harwood, a Universal Dovetailer in the Lisp language from AI researcher Bruno Marchal rewriting the universe as code, and self explanatory Pornographic Coding from plagiarist and author Stewart Home and code art guru Florian Cramer. Software is treated as magical, electromystical, contrasting with the tedious GUI desktop applications and user-led drudgery expressed within a vast ghost-authored literature which merely serves to rehearse again and again the demands of industry and economy. Key texts, which well explain the magic and sheer art of programming for the absolute beginner are published here. Software subjugation is made plain within the very title of media theorist Friedrich Kittler's essay Protected Mode, published in this volume. Media, technology and destruction are further elaborated across this work in texts such as War.pl, Media and Drugs in Pynchon's Second World War, again from Kittler, and Simon Ford's elegant take on J.G Ballard's crashed cars exhibition of 1970, A Psychopathic Hymn. Software and its expansion stand in obvious relation to language. Attacking transparency means examining the prison cell or virus of language; life coding as William Burrough's cutup. And perhaps the most substantial and thorough-going examination is put forward by daring Vienna actionist Oswald Wiener in his Notes on the Concept of the Bio-adaptor which has been thankfully unearthed here. Equally, Olga Goriunova's extensive examination of a new Russian literary trend, the online male literature of udiff.com provides both a reexamination of culture and language, and an example of the diversity of xxxxx; a diversity well reflected in background texts ranging across subjects such as Leibniz' monadology, the ur-crash of supreme flaneur Thomas de Quincey and several rewritings of the forensic model of Jack the Ripper thanks to Stewart Home and Martin Howse. xxxxx liberates software from the machinic, and questions the transparency of language, proposing a new world view, a sheer electromysticism which is well explained with reference to the works of Thomas Pynchon in Friedrich Kittler's essay, translated for the first time into English, which closes xxxxx. Further contributors include Hal Abelson, Leif Elggren, Jonathan Kemp, Aymeric Mansoux, and socialfiction.org.

**Abkhasians: the Long-living People of the Caucasus** - Sula Benet 1974

**I Will Survive** - Gloria Gaynor 2014-03-11

*I Will Survive* is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

**Airline Finance** - Peter S. Morrell 2019-09-30

Air transport industry finance, with its complexity and special needs such as route rights, airport slots, aircraft leasing options and frequent flyer programmes, requires specific knowledge. While there are numerous financial management and corporate finance texts available, few of these provide explanations for the singularities of the airline industry with worked examples drawn directly from the industry itself. Revised and updated in its third edition, this internationally renowned and respected book provides the essentials to understanding all areas of airline finance. Designed to address each of the distinct areas of financial management in an air transport industry context, it also shows how these fit together, while each chapter and topic provides a detailed resource which can be also consulted separately. Supported at each stage by practical airline examples, it examines the financial trends and prospects for the airline industry as a whole, contrasting the developments for the major regions and airlines. Important techniques in financial analysis are applied to the airline industry, together with critical discussion of key issues.

Thoroughly amended and updated throughout, the third edition reflects the many developments that have affected the industry since 2001. It features several important new topics, including Low Cost Carriers (LCCs), fuel hedging and US Chapter 11 provisions. The sections on financial statements and privatisation have been expanded, and a new chapter has been added on equity finance and IPOs. New case studies have been added, as well as the latest available financial data. The range and perspective is even greater than before, with significant expansion of material specific to the US and Asia. The book is a key resource for students of airline management, and a sophisticated and authoritative guide for analysts in financial institutions and consultancies, executives in airlines and related industries, and civil aviation departments.

**Market Economics and Political Change** - Juan David Lindau 1998

These essays review current theoretical debates, explore the role of regional context, and offer case studies of legal culture and civil society in Mexico and China to demonstrate the complexity of the relationship between market and democracy and the implications for other transitional polities such as Russia and for U.S. foreign policy. Designed for classroom use, this volume adds a focused comparative perspective for courses on Chinese, Asian-Pacific, and Latin American politics, development, and contemporary history.

**Conflict of Laws and Laws of Conflict in Europe and Beyond** - Rainer Nickel 2010

This book is based on the proceedings from a conference at the European University Institute in Florence. It deals with new approaches to supra- and transnational law generating structures. These new approaches - namely Christian Joerges' theoretical concept based upon the conflict of laws methodology and additional ideas of constitutional pluralism, and of participatory transnational governance - are discussed from private, public, and international law perspectives. They strive to conceptualize - in legal categories - the efforts to re-constitute democratic governing in post-national constellations. The book finds new ways for a democratization of European and transnational governance outside traditional models, and more convincing ways of a European and transnational 'juridification' that reconciles democracy, diversity, and social rights.

**As Happy as Here** - Jane Godwin 2019-07-23

Three teenage girls from very different backgrounds find themselves sharing a hospital ward. When they witness a crime in the park below their window, they bond over trying to solve the crime and each one undergoes a profound change. A beautiful coming-of-age story about identity, expectation, class, justice, society, fairness, and, above all, kindness. 'Fresh insights into friendship and family are spun through tangents into chance and randomness ... and music and its power to trigger memory and give a rhythm and pace to life. Injured Evie, in particular, learns how to grow and walk away stronger.' - Weekend Australian

**Jazz in the Key of Light** - Ken Franckling 2014-10-15

JAZZ IN THE KEY OF LIGHT is not your typical fine art photography book. In addition to visually capturing a variety of the world's jazz greats in performance or moments of personal reflection, author Ken Franckling paired the images with essential quotes from interviews he conducted with those same musicians in assignments for a variety of mainstream and music publications. The spotlighted musicians, some captured in historically important images, range from legends Dave Brubeck, Miles Davis and Sarah Vaughan to a variety of today's rising stars, including Nicki Parrott, Gregory Porter and Miguel Zenón.

**Flowers and Shadows** - Ben Okri 1989

Set in the hustle of Lagos, a series of disturbing events strip the young Jeffia Okwe of his innocence and reveal the ruthlessness of his own father. The tragic climax of the tale leaves Jeffia cleansed of the sins of his father, ready for adult life and optimistic about the future.

*The Everyday and Everydayness* - Henri Lefebvre 2021-09-28

A new, affordable edition of French Marxist and proto-Situationist Henri Lefebvre's classic text on the everyday, illustrated by Julie Mehretu. The work of French Marxist sociologist and philosopher Henri Lefebvre radically transformed the discourse of political geography. Witness to the rapid urbanization of the 20th century, Lefebvre conceptualized public space as socially produced--a mirror image of capitalist ideology--and levied a humanitarian slogan in response: "the right to the city," a notion that has energized the thought of leading American geographers such as David Harvey and Edward Soja. Lefebvre also worked closely with the Situationist International, collaborating with them on urban experiments in the '50s and '60s. Arguably his greatest legacy, however, is his theory of "the everyday"--a topic he returned to throughout his life, culminating

in his three-volume magnum opus, *The Critique of Everyday Life*. Like public space, Lefebvre argued, the everyday is a social structure concurrent with modernity: "the everyday is a product, the most general of products in an era where production engenders consumption." In this edition of Lefebvre's classic but largely unavailable text, New York-based artist Julie Mehretu responds to Lefebvre's 1987 essay, reflecting upon its implications during a time when conceptions of "the everyday" are both heightened and obscured. She identifies thematic connections between his text and her own work, casting into relief the enduring relevance of Lefebvre's consideration of time, space and place. An immensely prolific author, Henri Lefebvre (1901-91) is best known for his books *Critique of Everyday Life* (1947-81), *The Production of Space* (1974) and *The Urban Revolution* (1970).

*Crude Democracy* - Thad Dunning 2008-09-08

This book challenges the conventional wisdom that natural resource wealth promotes autocracy. Oil and other forms of mineral wealth can promote both authoritarianism and democracy, the book argues, but they do so through different mechanisms; an understanding of these different mechanisms can help elucidate when either the authoritarian or democratic effects of resource wealth will be relatively strong. Exploiting game-theoretic tools and statistical modeling as well as detailed country case studies and drawing on fieldwork in Latin America and Africa, this book builds and tests a theory that explains political variation across resource-rich states. It will be read by scholars studying the political effects of natural resource wealth in many regions, as well as by those interested in the emergence and persistence of democratic regimes.

*Abhorsen* - Garth Nix 2009-10-06

In the final book in the Old Kingdom trilogy, master of fantasy and globally bestselling author Garth Nix returns to the fantastic world of Sabriel for an unforgettable conclusion. "Breathtaking, bittersweet, and utterly unforgettable." \* After centuries in captivity, the Destroyer is nearly free. Beneath the earth, a malignant force lies waiting, greedy for freedom from its ancient prison. As the Old Kingdom falls once more into a realm of darkness and terror, the people look desperately to the Abhorsen, the scourge of the Dead, to save them. Yet Abhorsen Sabriel is lost, missing in Ancelstierre. Only Lirael has any chance of stopping the Destroyer. With her companions Sameth, Mogget and the Disreputable Dog, she travels across the Old Kingdom in a race against time, battling Shadow Hands and dark necromancers to reach Ancelstierre before it is too late. But what hope can one young woman have against a terrible evil with the power to destroy life itself? This eagerly awaited conclusion to Garth Nix's extraordinary trilogy of Old Kingdom books is a complex and vividly imagined story, powerful, terrifying and compelling. "Terror, courage, bitterness, love, desperation, and sacrifice all swirl together in an apocalyptic climax that pits both Life and Death together against the destruction of everything." —Kirkus\*

**The Reading Group** - Elizabeth Noble 2009-10-13

The Reading Group follows the trials and tribulations of a group of women who meet regularly to read and discuss books. Over the course of a year, each of these women become intertwined, both in the books they read and within each other's lives. Inspired by a shared desire for conversation, a good book and a glass of wine--Clare, Harriet, Nicole, Polly, and Susan undergo startling revelations and transformations despite their differences in background, age and respective dilemmas. What starts as a reading group gradually evolves into a forum where the women may express their views through the books they read and grow to become increasingly more open as the bonds of friendship cement. In *The Reading Group*, Noble reveals the many complicated paths in life we all face as well as the power and importance of friendship.

*Are You Seeing Me?* - Darren Groth 2015-08-18

Twins Justine and Perry have left their home in Australia and embarked on the road trip of a lifetime in the Pacific Northwest. It's been a year since their dad lost his battle with cancer and Justine became the sole caregiver for her autistic brother, Perry. Now Perry has been accepted into an assisted-living residence in their hometown, Brisbane, Australia, but before he takes up residence, they're seeking to create the perfect memory. For Perry, the trip is a glorious celebration of some of his favorite things: Ogopogo, Jackie Chan movies and earthquakes. For

Justine, it's an opportunity to learn how to let go—of Perry, of her boyfriend, Marc—and to offer their mother the chance to atone for past wrongs. But the instability that has shaped their lives will not subside, and the seismic event that Perry forewarned threatens to reduce their worlds to rubble...

**Across the Wall** - Garth Nix 2009-10-06

From renowned fantasy author of the Old Kingdom series, Garth Nix, comes an entertaining collection of stories, including one Old Kingdom novella. Across the Wall brings together an eclectic mix of Garth Nix's writing spanning several years, beginning with the novella set in the Old Kingdom, "Nicholas Sayre and the Creature in the Case," winner of two Aurealis Awards. The collection also includes two tales inspired by Arthurian legend, a war story, a western, a traditional tale with a twist and a hilarious choose-your-own-adventure spoof. The volume is introduced by the author himself and, even better, so is each story—giving context, anecdotes and a glimpse into the exceptional mind of Garth Nix.

**Karma and Rebirth in Classical Indian Traditions** - Wendy Doniger O'Flaherty 2018-05-18

Karma is perhaps the most famous concept in Indian philosophy, but this is the first comprehensive study of its various meanings and philosophical implications. Karma and Rebirth in Classical Indian Traditions offers a harmony of approach and an underlying set of methodological assumptions: a corpus of definitions of karma, a dialectic between abstract theory and historical explanation, and an awareness of logical oppositions in theories of karma. No "solution" to the paradox of karma is offered, but the volume as a whole presents a consistent and encompassing approach to the many different, often conflicting, Indian statements of the problem. Broad in scope and richly detailed, this book demonstrates the impossibility of speaking of "the theory of karma" and supplies the basis for further study. Exploring methodological issues arising in the study of a non-Western system of soteriology and rebirth, the contributors question the interaction of medical and philosophical models of the human body, the incorporation of philosophical theories into practical religions with which they are logically incompatible, and the problem of historical reconstruction of a complex theory of human life. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1980.

They found themselves in a dense forest. The trees were tall and bulky; dense foliage everywhere; and the canopy was so thick, it was quite dark beneath the bright sun. It was the characteristic of Esterwood the Land of Forests. Everything was still. It was like calm before the storm. It portended evil. Suddenly the forest seemed to come alive. An eerie sound came and surrounded them. Wind blew violently; they could not stand on their feet. The tree branches wildly swayed in that wind. The trees and creepers were suddenly moving from their positions. The trees seemed to be closing in on the four friends with their branches. They indeed were. The four friends came to a standstill, and looked in all directions to ward off danger. The trees picked up speed. They closed in from all directions. Naren, and his friends Bulli Mantrik, and Answer the Lamb were all caught in the branches of the trees, and were unable to move. Penny the Parrot tried to fly away. The trees chased him, jumped, and caught him with their branches. Naren tried to move, but the trees and creepers so tightly clasped him, he could not move even an inch. So he could not lay hands on his sword. He felt suffocated by a twig holding him tightly by the neck. The trees seemed to kill them all, suffocating to death. An even queerer thing happened. Then was heard an eerie voice from the heavens. "Come to me." ... Please scroll up and grab your copy now.
