Maternity and Paternity at Work - Laura Addati 2014-05-13

This report provides a picture of where we stand and what we have learned so far about maternity and paternity rights across the world. It offers a rich international comparative analysis of law and practice relating to maternity protection at work in 185 countries and territories, comprising leave, cash benefits, employment protection and non-discrimination, health protection, breastfeeding arrangements at work and childcare. Expanding on previous editions, it is based on an extensive set of new legal and statistical indicators, including coverage in law and in practice of paid maternity leave as well as statutory provision of paternity and parental leave and their evolution over the last 20 years. The report also takes account of the recent economic crisis and austerity measures. It shows how well national laws and practice conform to the ILO Maternity Protection Convention, 2000 (No. 183), its accompanying Recommendation (No. 191) and the Workers with Family Responsibilities Convention, 1981 (No. 156), and offers guidance on policy design and implementation. This report shows that a majority of countries have established legislation to protect and support maternity and paternity at work, even if those provisions do not always meet the ILO standards. One of the persistent challenges is the effective implementation of legislation, to ensure that all workers are able to benefit from these essential labour rights.

Accounting: An Introduction to Principles and Practice 9ed - Edward A. Clarke 2018-09-01

Accounting: An Introduction to Principles and Practice, 9e is aligned to FNS30315 Certificate III in Accounts Administration. The content is organised around the assessment requirements for each unit of competency, supporting compliance with the VET Quality Framework and the Financial Services Training Package. The student-friendly text includes diagrams to demonstrate electronic forms of documentation and transfer of funds. The importance of thorough authorisation and checking procedures to verify the accuracy and authenticity of a transaction is also incorporated in diagrams and throughout the chapter. In this latest edition the payroll chapter has been updated in line with current minimum wage rates, and using 2017-18 income tax rates - the most current at the time of updating the book. New, print versions of this book come with bonus online study tools on the CourseMate Express platform Learn more about the online tools cengage.com.au/learning-solutions

[Nanny Families](#) - Eldén, Sara 2020-07-15

Available Open Access under CC-BY-NC licence Paying privately for childcare is a growing phenomenon worldwide, a trend mirrored in Sweden despite the prevalence there of publicly funded daycare. This book combines theories of family practices, care and childhood studies with the personal perspectives of nannies, au pairs, parents and children to provide new understandings of what constitutes care in nanny families. The authors investigate the ways in which all the participants experience the caring situation, and expose the possibilities and problems of nanny and au pair care. Their study illuminates the ways in which paid domestic care workers 'do' family and care; in doing so, it contributes to wider political and scientific discussions of inequalities at the global and local level, reproduced in and between families, in the context of rapidly changing welfare states.

The Contract of Employment - Alan Bogg 2016

"The Contract of Employment provides the most ambitious and comprehensive treatise on the theoretical and doctrinal aspects of the English contract of employment in the common law world. Under the general editorship of Professor Mark Freedland, the text has been produced by a team of world leading experts in employment law. Part I examines the theoretical context to the contract of employment, studying its structure and development from a wide variety of theoretical and comparative perspectives. Part II provides an exposition and analysis of the doctrinal aspects of the contract of employment." --Publisher's website.

The Business Communication Handbook - Judith Dwyer 2019-07-18

The Business Communication Handbook, 11e helps learners to develop competency in a broad range of communication skills essential in the 21st-century workplace, with a special focus on business communication. Closely aligned with the competencies and content of BSB40215 Certificate IV in Business and BSB40515 Certificate IV in Business Administration, the text is divided into five sections: - Communication foundations in the digital era - Communication in the workplace - Communication with customers - Communication through documents - Communication across the organisation Highlighting communication as a core employability skill, the text offers a contextual learning experience by unpacking abstract communication principles into authentic examples and concrete applications, and empowers students to apply communication skills in real workplace settings. Written holistically to help learners develop authentic communication-related competencies from the BSB Training Package, the text engages students with its visually appealing layout and full-colour design, student-friendly writing style, and range of activities.

Recruiting Immigrant Workers: Korea 2019 - OECD 2019-01-28

Labor Migration in Asia: Increasing the Development Impact of Migration through Finance and Technology - OECD 2018-04-04

This report documents the increase in labor migration in Asia and looks at how finance and technology can aid its positive impact on home countries. As diasporas increase, governments have reached out to citizens abroad to provide them with financial instruments. Remittance channels have long ...

Migrants at Work - Cathryn Costello 2014

This collection has its origins in the recognition that there is a highly significant and under-considered intersection and interaction between migration law and labour law. It is the culmination of a collaborative project on 'Migrants at Work' funded by the John Fell Fund, the Society of Legal Scholars and the Research Centre at St John's College, Oxford. The collection aims to shed light on the interactions between immigration, migration law and labour law, in particular how migration status has a bearing on labour relations and the world of work.

Blackstone's EU Treaties & Legislation 2015-2016 - Nigel G. Foster 2015

Market-leading and first choice with students and lecturers, Blackstone's Statutes have an unrivalled tradition of trust and quality. With a rock-solid reputation for accuracy, reliability, and authority, Blackstone's Statutes provide a careful selection of all the up-to-date materials students need for exams and course use.

Managing Conflict of Interest in the Public Sector A Toolkit - OECD 2005-08-30

This Toolkit provides non-technical, practical help to enable officials to recognise conflict of interest situations and help them to ensure that integrity and reputation are not compromised.

Abuse of Companies - Hanne S. Birkmose 2019-09-05

Whether the corporate form is used to avoid liabilities or cover illegal acts, or whether abuse is practised to obtain certain advantages, the subject of this first-ever in-depth survey and analysis garners more attention every day - both in legal literature and in popular media. Taken together, the authoritative contributions in this book clearly and comprehensively reveal typical situations where abuse may take place and how company law and other areas of law have tackled these incidents and practices in a variety of key jurisdictions. Focusing on Europe but with global implications, the topics raised include the following: how group structures may be used by multinational enterprises to escape regulation and avoid taxation; whether the decision to incorporate a company in a particular jurisdiction may be abusive; companies set up for the purpose of money laundering; letterbox companies formed as a front to allow a company to benefit from one legal regime and avoid others; ex post transfers of seats such as cross-border mergers and conversions; when the use of phoenix companies may constitute an abuse of the corporate form; how corporate mobility is used to circumvent worker participation; and how online company formation and technological innovation may foster abuse. This book helps to explain how the line is drawn between abuse and (creative) use of the corporate form. Remedies covered include restricting the use of bearer shares, setting minimum capital requirements, piercing the corporate veil, ensuring transparency of beneficial ownership, using insolvency law to lodge claims against directors and shareholders and recover assets, and applying the general principle prohibiting abuse. There is no other book on the market focusing on abuse of companies and giving such a comprehensive analysis of the topic. Practitioners will get guidelines on how to avoid becoming involved in activities that may constitute abuse and how to address instances where abuse has occurred, and interested academics, legislators, and enforcement authorities in Europe and beyond will find this book's perspectives invaluable.

Importing Into the United States - U. S. Customs and Border Protection 2015-10-12

Circular No. A-11 - Omb 2019-06-29

The June 2019 OMB Circular No. A-11 provides guidance on preparing the FY 2021 Budget and instructions on budget execution. Released in June 2019, it's printed in two volumes. This is Volume I. Your budget submission to OMB should build on the President's commitment to advance the vision of a Federal Government that spends taxpayer dollars more efficiently and effectively and to provide necessary services in support of key National priorities while reducing deficits. OMB looks forward to working closely with you in the coming months to develop a budget request that supports the President's vision. Most of the changes in this update are technical revisions and clarifications, and the policy requirements are largely unchanged. The summary of changes to the Circular highlights the changes made since last year. This Circular supersedes all previous versions. VOLUME I Part 1-General Information Part 2-Preparation and Submission of Budget Estimates Part 3-Selected Actions Following Transmittal of The Budget Part 4-Instructions on Budget Execution VOLUME II Part 5-Federal Credit Part 6-The Federal Performance Framework for Improving Program and Service Delivery Part 7-Appendices Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a

network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly-bound paperback, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a HUBZONE SDVOSB. <https://usgovpub.com>

OECD Economic Surveys: Australia 2012 - OECD 2012-12-14

OECD's periodic review of the Australian economy examines recent economic developments, policies and prospects. Special chapters cover strengthening adjustment capacity and productivity performance.

Information Technology - Ingrid Koreneff 2005

The Ombudsman - Sam Zagoria 1988

Employment Relations - Amie Shaw 2018-01-01

Overview This is the second edition of the well-regarded local text, Employment Relations. This new edition takes an even more practical approach to a complex area, considering both the industrial regulation and human resources dimensions of the employment relationship. As well as providing a comprehensive guide to employment relations in Australia, the text also offers a selective international comparative view on the management of the employment relationship. The text explains and emphasises the real-world connections between the important theories of industrial relations and human resources, which are key components of the employment relations discipline. The overarching aim is for students to gain a deeper understanding of the 'World of Work', through the discipline of Employment Relations.

Commerce Business Daily - 1997-12-31

Risk Management and Insurance Planning - JATINDER LOOMBA 2013-08-30

Humans are accustomed to risks. Be it a theft or burglary, a fatal road accident, natural disaster or death—the possibility of a person encountering a risk, can never be underestimated. To mitigate the intensity of risks, it is always advisable to manage risks, beforehand. This book explains how to minimize, monitor, and control the probability and impact of unfortunate events, through risk management. The chapters are skillfully designed to give a comprehensive approach to the need of insurance; the right plan for different needs; and the right place to buy the insurance. The essential concepts are dealt with thoroughly to build the foundation of the subject. The book skillfully elucidates the roles and the duties of an Agent, and the traits required to transform into an efficient one. It highlights some of the most important insurance claims, which are only prevalent in the developed countries (US and UK), like tort liability problems, long-term care insurance, personal umbrella insurance and Uninsured Motorist Coverage and personal umbrella policy. The book emphasizes on exposures to mortality, health, disability, auto, overseas and travel insurances. While discussing the topics, like retirement options, it ornately describes various pensions and annuity schemes available as well. The book is primarily intended for the postgraduate

students of Management. However, it will also be beneficial for Risk Managers, and Insurance Agents. Key Features • The chapters are interspersed with Figures, Tables, Exhibits and Takeaway Tips to provide interesting facts related to the topic discussed in the chapter. • The topics are explained through case studies, and graphical represent-ations, to add a practical approach to the subject. • MCQs help in strengthening life insurance concepts. • A separate Chapter is devoted to the Insurance Laws.

Trade Apprenticeships - 1968

Internships, Employability and the Search for Decent Work Experience - Andrew Stewart

2021-06-25

This groundbreaking book examines the growing phenomenon of internships and the policy issues they raise, during a time when internships or traineeships have become an important way of transitioning from education into paid work.

Health Data in the Information Age - Institute of Medicine 1994-01-01

Regional health care databases are being established around the country with the goal of providing timely and useful information to policymakers, physicians, and patients. But their emergence is raising important and sometimes controversial questions about the collection, quality, and appropriate use of health care data. Based on experience with databases now in operation and in development, Health Data in the Information Age provides a clear set of guidelines and principles for exploiting the potential benefits of aggregated health data—without jeopardizing confidentiality. A panel of experts identifies characteristics of emerging health database organizations (HDOs). The committee explores how HDOs can maintain the quality of their data, what policies and practices they should adopt, how they can prepare for linkages with computer-based patient records, and how diverse groups from researchers to health care administrators might use aggregated data. Health Data in the Information Age offers frank analysis and guidelines that will be invaluable to anyone interested in the operation of health care databases.

Migrant Rights at Work - Laurie Berg 2015-06-26

Public debates about the terms of membership and inclusion have intensified as developed economies increasingly rely on temporary migrant labour. While most agree that temporary migrant workers are entitled to the general protection of employment laws, temporary migrants have, by definition, restricted rights to residence, full social protections and often to occupational and geographic mobility. This book raises important ethical questions about the differential treatment of temporary and unauthorised migrant workers, and permanent residents, and where the line should be drawn between exploitation and legitimate employment. Taking the regulatory reforms of Australia as a key case study, Laurie Berg explores how the influence of immigration law extends beyond its functions in regulating admission to and exclusion from a country. Berg examines the ways in which immigration law and enforcement reconfigure the relationships between migrant workers and employers, producing uncertain and coercive working conditions. In presenting an analytical approach to issues of temporary labour migration, the book develops a unique theoretical framework, contending that the concept of precariousness is a more fruitful way than equality or vulnerability to evaluate and address issues of temporary migrant labour. The book will be of great interest to scholars and practitioners of immigration law and employment law and policy.
