## [This Will Make It Taste Good](#) - Vivian Howard 2020-10-20

An Eater Best Cookbook of Fall 2020 From caramelized onions to fruit preserves, make home cooking quick and easy with ten simple "kitchen heroes" in these 125 recipes from the New York Times bestselling and award-winning author of Deep Run Roots. "I wrote this book to inspire you, and I promise it will change the way you cook, the way you think about what's in your fridge, the way you see yourself in an apron." Vivian Howard's first cookbook chronicling the food of Eastern North Carolina, Deep Run Roots, was named one of the best of the year by 18 national publications, including the New York Times, USA Today, Bon Appetit, and Eater, and won an unprecedented four IACP awards, including Cookbook of the Year. Now, Vivian returns with an essential work of

home-cooking genius that makes simple food exciting and accessible, no matter your skill level in the kitchen. Each chapter of This Will Make It Taste Good is built on a flavor hero—a simple but powerful recipe like her briny green sauce, spiced nuts, fruit preserves, deeply caramelized onions, and spicy pickled tomatoes. Like a belt that lends you a waist when you're feeling baggy, these flavor heroes brighten, deepen, and define your food. Many of these recipes are kitchen crutches, dead-easy, super-quick meals to lean on when you're limping toward dinner. There are also kitchen projects, adventures to bring some more joy into your life. Vivian's mission is not to protect you from time in your kitchen, but to help you make the most of the time you've got. Nothing is complicated, and more than half the dishes are vegetarian, gluten-free, or both. These recipes use ingredients that are easy to find, keep around, and cook with—lots of chicken, prepared in a bevy of ways to keep it interesting, and common vegetables like broccoli, kale, squash, and sweet potatoes that look good no matter where you shop. And because food is the language Vivian uses to talk about her life, that's what these recipes do, next to stories that offer a glimpse at the people, challenges, and lessons learned that stock the pantry of her life.

## [Sustainable Market Farming](#) - Pam Dawling 2013-02-01

Growing for 100 - the complete year-round guide for the small-scale market grower. Across North America, an agricultural renaissance is unfolding. A growing number of market gardeners are emerging to feed

our appetite for organic, regional produce. But most of the available resources on food production are aimed at the backyard or hobby gardener who wants to supplement their family's diet with a few homegrown fruits and vegetables. Targeted at serious growers in every climate zone, Sustainable Market Farming is a comprehensive manual for small-scale farmers raising organic crops sustainably on a few acres. Informed by the author's extensive experience growing a wide variety of fresh, organic vegetables and fruit to feed the approximately one hundred members of Twin Oaks Community in central Virginia, this practical guide provides: Detailed profiles of a full range of crops, addressing sowing, cultivation, rotation, succession, common pests and diseases, and harvest and storage Information about new, efficient techniques, season extension, and disease resistant varieties Farm-specific business skills to help ensure a successful, profitable enterprise Whether you are a beginning market grower or an established enterprise seeking to improve your skills, Sustainable Market Farming is an invaluable resource and a timely book for the maturing local agriculture movement. Pam Dawling is a contributing editor with Growing for Market magazine. An avid vegetable grower, she has been farming as a member of Twin Oaks Community in central Virginia for over twenty years, where she helps grow food for around one hundred people on three and a half acres, and provides training in sustainable vegetable production.

*The Rules of Magic* - Alice Hoffman 2017-10-10

An instant New York Times bestseller and Reese Witherspoon Book Club pick from beloved author Alice Hoffman—the spellbinding prequel to Practical Magic. Find your magic. For the Owens family, love is a curse that began in 1620, when Maria Owens was charged with witchery for loving the wrong man. Hundreds of years later, in New York City at the cusp of the sixties, when the whole world is about to change, Susanna Owens knows that her three children are dangerously unique. Difficult Franny, with skin as pale as milk and blood red hair, shy and beautiful Jet, who can read other people's thoughts, and charismatic Vincent, who began looking for trouble on the day he could walk. From the start

Susanna sets down rules for her children: No walking in the moonlight, no red shoes, no wearing black, no cats, no crows, no candles, no books about magic. And most importantly, never, ever, fall in love. But when her children visit their Aunt Isabelle, in the small Massachusetts town where the Owens family has been blamed for everything that has ever gone wrong, they uncover family secrets and begin to understand the truth of who they are. Yet, the children cannot escape love even if they try, just as they cannot escape the pains of the human heart. The two beautiful sisters will grow up to be the memorable aunts in Practical Magic, while Vincent, their beloved brother, will leave an unexpected legacy. Alice Hoffman delivers “fairy-tale promise with real-life struggle” (The New York Times Book Review) in a story how the only remedy for being human is to be true to yourself. Thrilling and exquisite, real and fantastical, The Rules of Magic is “irresistible...the kind of book you race through, then pause at the last forty pages, savoring your final moments with the characters” (USA TODAY, 4/4 stars).

[Brookgreen Gardens: Ever Changing. Simply Amazing.](#) - Brookgreen Gardens 2022-01-02

An oasis of art and nature, Brookgreen Gardens is America's first public sculpture garden and largest collection of American figurative sculpture. Founded in 1931 by Archer Milton Huntington and Anna Hyatt Huntington, its lush South Carolina coastal location is an exquisite setting for the more than two thousand works by four hundred twenty-five artists—including more than one hundred sculptures and other works by Anna Huntington, many placed in the gardens she designed. In 1984, Brookgreen was designated as a National Historic Landmark, highlighting the number of women sculptors whose work is presented in the collection, as well as the significance of the work of Anna Huntington. Today, Brookgreen has become a cultural institution unlike any other, blending sculpture, historic sites, botanical gardens, and the Lowcountry Zoo. As Brookgreen begins its ninetieth year, this volume celebrates the art, nature, and history ensconced in its 9,127 acres. More than one hundred color photographs; an introduction by president and CEO, Page Hayhurst Kiniry; and a foreword by its chairman of the board,

Dick Rosen, bring Brookgreen Gardens to life on the page.

*A Doll's House, Part 2 (TCG Edition)* - Lucas Hnath 2019-02-26

"Smart, funny and utterly engrossing...This unexpectedly rich sequel reminds us that houses tremble and sometimes fall when doors slam, and that there are living people within, who may be wounded or lost...Mr. Hnath has a deft hand for combining incongruous elements to illuminating ends." —Ben Brantley, New York Times It has been fifteen years since Nora Helmer slammed the door on her stifling domestic life, when a knock comes at that same door. It is Nora, and she has returned with an urgent request. What will her sudden return mean to those she left behind? Lucas Hnath's funny, probing, and bold play is both a continuation of Ibsen's complex exploration of traditional gender roles, as well as a sharp contemporary take on the struggles inherent in all human relationships across time.

**Rolling Warrior** - Judith Heumann 2021-06-15

As featured in the Oscar-nominated documentary *Crip Camp*, and for readers of *I Am Malala*, one of the most influential disability rights activists in US history tells her story of fighting to belong. "If I didn't fight, who would?" Judy Heumann was only 5 years old when she was first denied her right to attend school. Paralyzed from polio and raised by her Holocaust-surviving parents in New York City, Judy had a drive for equality that was instilled early in life. In this young readers' edition of her acclaimed memoir, *Being Heumann*, Judy shares her journey of battling for equal access in an unequal world—from fighting to attend grade school after being described as a "fire hazard" because of her wheelchair, to suing the New York City school system for denying her a teacher's license because of her disability. Judy went on to lead 150 disabled people in the longest sit-in protest in US history at the San Francisco Federal Building. Cut off from the outside world, the group slept on office floors, faced down bomb threats, and risked their lives to win the world's attention and the first civil rights legislation for disabled people. Judy's bravery, persistence, and signature rebellious streak will speak to every person fighting to belong and fighting for social justice.

**Latoya Ruby Frazier: The Last Cruze** - Latoya Ruby Frazier  
2020-06-15

As the General Motors plant in Lordstown, Ohio halted production and faced possible closure, displacing its workers, artist LaToya Ruby Frazier joined with these workers, their families, and their local union leaders to tell the story of the plant in its final days. After more than fifty years of automobile production and a commitment to manufacture the Chevrolet Cruze until 2021, the facility was recently "unallocated" by GM, as the company shifts its focus toward overseas manufacturing and the production of electric and autonomous vehicles. For many, this meant uprooting their families and giving up the support of a close-knit community. Those who turned down transfers to GM plants in other states lost their income, pensions, and benefits. *The Last Cruze*, which sets out to amplify the voices of the auto workers in Lordstown, introduces a new chapter to Frazier's work in investigating labor, family, community, and the working class. Exhibited at the Renaissance Society in 2019, this body of work includes over sixty photographs, alongside the written stories of the workers, and was staged within an installation that echoes the structure of the plant's assembly line. This substantial catalogue includes extensive documentation of the work and introduces new essays and dialogues by contributors including Coco Fusco, David Harvey, Werner Lange, Lynn Nottage, Julia Reichert, Benjamin Young, and members of the local chapter of the United Auto Workers.

**Sutra and Bible** - Duncan Ryuken Williams 2022-03

*Sutra and Bible: Faith and the Japanese American World War II Incarceration* accompanies the Japanese American National Museum's 2022 "Sutra and Bible" exhibition. Together, the exhibit and catalogue explore the role that religious teachings, practices, and communities played while Japanese Americans were incarcerated during World War II. From the confines of concentration camps and locales under martial law

to the battlegrounds of Europe, Japanese Americans drew on their faith to survive forced removal, indefinite incarceration, unjust deportation, family separation, military service, and resettlement at a time when their race and religion were seen as threats to national security. Co-edited by Dr. Emily Anderson and Dr. Duncan Ry?ken Williams, this catalogue weaves visual storytelling with auxiliary essays from thirty-two prominent voices across academic, arts, and social justice communities.

**Summer Wildflowers of the Northeast** - Carol Gracie 2020-04-28

"This is a follow-up volume to Gracie's Spring Wildflowers of the Northeast. This new book treats 35 species of summer blooming wildflower some common, others less so concentrating on each species life history and, in the same manner as the earlier book, providing intriguing insights into the biology, ecology, folklore, and, where relevant, ethno-botany of each flower. Each species account is richly illustrated with a range of color photos"--

**The Fountains of Silence** - Ruta Sepetys 2020-09-29

From the #1 New York Times bestselling author of *Salt to the Sea* and *Between Shades of Gray* comes a gripping, extraordinary portrait of love, silence, and secrets under a Spanish dictatorship. Madrid, 1957. Under the fascist dictatorship of General Francisco Franco, Spain is hiding a

dark secret. Meanwhile, tourists and foreign businessmen flood into Spain under the welcoming promise of sunshine and wine. Among them is eighteen-year-old Daniel Matheson, the son of an oil tycoon, who arrives in Madrid with his parents hoping to connect with the country of his mother's birth through the lens of his camera. Photography--and fate--introduce him to Ana, whose family's interweaving obstacles reveal the lingering grasp of the Spanish Civil War--as well as chilling definitions of fortune and fear. Daniel's photographs leave him with uncomfortable questions amidst shadows of danger. He is backed into a corner of difficult decisions to protect those he loves. Lives and hearts collide, revealing an incredibly dark side to the sunny Spanish city. Master storyteller Ruta Sepetys once again shines light into one of history's darkest corners in this epic, heart-wrenching novel about identity, unforgettable love, repercussions of war, and the hidden violence of silence--inspired by the true postwar struggles of Spain. Includes vintage media reports, oral history commentary, photos, and more. Praise for *The Fountains of Silence* "Spain under Francisco Franco is as dystopian a setting as Margaret Atwood's Gilead in Ruta Sepetys's suspenseful, romantic and timely new work of historical fiction . . . Like [Shakespeare's family romances], 'The Fountains of Silence' speaks truth to power, persuading future rulers to avoid repeating the crimes of the past." --The New York Times Book Review "Full of twists and revelations...an excellent story, and timely, too." --The Wall Street Journal "A staggering tale of love, loss, and national shame." --Entertainment Weekly \* "[Sepetys] tells a moving story made even more powerful by its placement in a lesser-known historical moment. Captivating, deft, and illuminating historical fiction." --Booklist, \*STARRED REVIEW\* \* "This gripping, often haunting historical novel offers a memorable portrait of fascist Spain." --Publishers Weekly, \*STARRED REVIEW\* \* "This richly woven historical fiction . . . will keep young adults as well as adults interested from the first page to the last." - -SLC, \*STARRED REVIEW\* \* "Riveting . . . An exemplary work of historical fiction." --The Horn Book, \*STARRED REVIEW\*

**Walk with Me** - Kate Clifford Larson 2021-08-02

She was born the 20th child in a family that had lived in the Mississippi Delta for generations, first as enslaved people and then as sharecroppers. She left school at 12 to pick cotton, as those before her had done, in a world in which white supremacy was an unassailable citadel. She was subjected without her consent to an operation that deprived her of children. And she was denied the most basic of all rights in America the right to cast a ballot in a state in which Blacks constituted nearly half the population. And so Fannie Lou Hamer lifted up her voice. Starting in the early 1960s and until her death in 1977, she was an irresistible force, not merely joining the swelling wave of change brought by civil rights but keeping it in motion. Working with the Student Non-Violent Coordinating Committee (SNCC), which recruited her to help with voter-registration drives, Hamer became a community organizer,

women's rights activist, and co-founder of the Mississippi Freedom Democratic Party. She summoned and used what she had against the citadel her anger, her courage, her faith in the Bible, and her conviction that hearts could be won over and injustice overcome. She used her brutal beating at the hands of Mississippi police, an ordeal from which she never fully recovered, as the basis of a televised speech at the 1964 Democratic Convention, a speech that the mainstream party including its standard-bearer, President Lyndon Johnson tried to contain. But Fannie Lou Hamer would not be held back. For those whose lives she touched and transformed, for those who heard and followed her voice, she was the embodiment of protest, perseverance, and, most of all, the potential for revolutionary change. Kate Clifford Larson's biography of Fannie Lou Hamer is the most complete ever written, drawing on recently declassified sources on both Hamer and the civil rights movement, including unredacted FBI and Department of Justice files. It also makes full use of interviews with Civil Rights activists conducted by the Smithsonian and the Library of Congress, and Democratic National Committee archives, in addition to extensive conversations with Hamer's family and with those with whom she worked most closely. Stirring, immersive, and authoritative, *Walk with Me* does justice to Fannie Lou Hamer's life, capturing in full the spirit, and the voice, that led the fight for freedom and equality in America at its critical moment.

*Your Heart is the Size of Your Fist* - Martina Scholtens 2017-09-26

An absorbing and touching read, this collection of true stories is the first book by a Canadian doctor on the topic of refugee health. *Your Heart Is the Size of Your Fist* draws readers into the complicated, poignant, and often-overlooked daily happenings of a busy urban medical clinic for

refugees. An Iraqi journalist whose son has been murdered develops post-traumatic stress disorder and mourns his loss of vocation. A Congolese woman refuses antiretroviral treatment for her new HIV diagnosis, and instead places her trust in Jesus. Two conservative Muslim Iraqi women are inadvertently exposed to pornography when a doctor uses Google Images to supplement a medical discussion. By turns humorous, distressing, and moving, these stories offer insight into the people seeking a new life while navigating poverty, language barriers, and neighbours who aren't always friendly. This riveting collection of true stories from Dr. Martina Scholtens is filled with hope and humour, and together make up a deeply moving portrait of how one doctor attempts to provide quality care and advocacy for patients while remaining culturally sensitive, even as she wrestles with guilt, awareness of her own privilege, the faith she was raised with, and vicarious trauma after hearing countless stories of brutality and suffering. In the spirit of Louise Aronson and Atul Gawande, Scholtens' writing is based on her

personal experiences and explores the transformative moments in which a clinical doctor-patient relationship becomes a profound human-human connection.

**Yankees in the Streets** - Jr. Carson O Hudson 2016-04-21

Today, the City of Williamsburg, Virginia, lives in the shadow of the reconstructed historic area of the Colonial Williamsburg Foundation. Visitors come by the thousands annually to visit the recreated colonial town where the Founding Fathers walked. Sadly, a forgotten fact is that the very ground in Williamsburg where the Founding Fathers once walked was later soaked with the blood of their children and grandchildren during the Civil War. Most visitors are unaware that it is truly hallowed ground. This book is an attempt to tell some of the forgotten stories of when America was at war with itself.
