**The Consistory and Social Discipline in Calvin's Geneva** - Jeffrey R. Watt 2020-11-15

Examines the most successful institution of social discipline in Reformation Europe: the Consistory of Geneva during the time of John Calvin

*Bibliographisches Verzeichnis des gedruckten Schrifttums zur Geschichte und Literatur der Inquisition* - Emile van der Vekene 1982

*Emissaries from the Dead* - Adam-Troy Castro 2019-07-30

"As great as I'd hoped...Andrea Cort and her universe have terrific scope for future development." —i09 The place is One One One, a gigantic enclosed space station constructed by the AIsorce, a mysterious software collective that may be the most advanced, most powerful creatures in the known universe. They have seeded the world with creatures of their own devising, and invited a delegation of human beings to observe. But now the little research community has been rocked by murder...and it appears that the AIsorce may be playing a deeper game. Enter Andrea Cort. Prosecutor. War Criminal. Misanthrope. Genius. She has been sent to get to the bottom of these heinous crimes. But she is facing enemies both human and more than human...and the solution to the mystery just might change her very relationship to the world she knows... Praise for *Emissaries from the Dead* "A brilliantly executed novel, fully successful as both science fiction and murder mystery. Indeed, it evidences a writer at the peak of his career, and it shows none of the flaws one expects from first novels... *Emissaries from the Dead* is one of the best science fiction novels of the year so far, and it can be recommended especially to fans of science fiction mysteries." —SciFi Weekly "A uniquely absorbing read. It envelops you in a truly exotic and alien environment, and gives you a heroine to root for... It offers mystery, action, a few good jolts, and a bit of the old redemption sans mawkishness. All of the ingredients for a story sure to knock 'em dead." —SF Reviews "Adam-Troy Castro's *Emissaries from the Dead* is SF at its best: Silence of the Lambs as Larry Niven might have written it. A clever, thought-provoking page-turner. Bravo!" —Robert J. Sawyer, Hugo Award-winning author of *Rollback* "Adam-Troy Castro has given us the ultimate high-wire thriller." —Jack McDevitt

**Le grand dictionnaire historique, ou le melange curieux de l'histoire sacree et profane. Nouv. ed. dans laquelle ou a refondu les supplementens de (Claude-Pierre) Goujet. Le tout revu, corr. & augm. par (Etienne-Francois) Drouet** - Louis Moréri 1759

**The Walking Dead Vol. 29** - Robert Kirkman 2018-03-07

Recent events have thrown Alexandria into turmoil, and now Rick, Dwight, Eugene, and Negan all have something to prove. Collects THE WALKING DEAD #169-174

**Star King** - Jack Vance 1968

*The Cambridge History of Magic and Witchcraft in the West* - David J. Collins, S. J. 2015-03-02

This book presents twenty chapters by experts in their fields, providing a thorough and interdisciplinary overview of the theory and practice of magic in the West. Its chronological scope extends from the Ancient Near East to twenty-first-century North America; its objects of analysis range from Persian curse tablets to US neo-paganism. For comparative purposes, the volume includes chapters on developments in the Jewish and Muslim worlds, evaluated not simply for what they contributed at various points to European notions of magic, but also as models of alternative development in ancient Mediterranean legacy. Similarly, the volume highlights the transformative and challenging encounters of Europeans with non-Europeans, regarding the practice of magic in both early modern colonization and more recent decolonization.

**Le grand dictionnaire historique ou Le melange curieux de**

**l'Histoire sacrée et profane ...** - Louis Moreri 1759

**Letopis Matice srpske** - 2001

*Utopias in Latin America* - Juan Pro 2019-02

Latin America has historically been a fertile ground where utopian projects, movements, and experiments could take root and thrive. Each of the thirteen authors in this collective volume address a particular case or specific aspect of Latin American utopianism from colonial times to the present day. The America that the Spanish and Portuguese discovered became, from the sixteenth century onwards, a space in which it was possible to imagine the widest variety of forms of human coexistence. *Utopias in Latin America* reconsiders the sense and understanding of utopias in various historical frames: the discovery of indigenous cultures and their natural environments; the foundation of new towns and cities in a vast colonial territory; the experimental communities of nineteenth-century utopian socialists and European exiled intellectuals; and the innovative formulae that attempts to get beyond twentieth-century capitalism.

*Fever in Urbicand* - François Schuiten 1990

Eugen Robick thought he had designed the perfect city, efficiently divided between the consummately aesthetic and the irrational. But then a small but mysterious grid of beams invades and exponentially expands into an indestructible city-engulfing lattice, allowing a bridge between the city's two halves. As well-laid plans are thrown into disarray, readers will join in Robick's search to learn the cube's secret and the errors of his own ways. Illustrated in b/w throughout. 'Marvel at one of Europe's master draughtsmen' - Amazon.com

*Supplement au grand dictionnaire historique genealogique, géographique, &c. de M. Louis Moreri* - Louis Moréri 1735

**Witchcraft and Inquisition in Early Modern Venice** - Jonathan Seitz 2011-08-08

In early modern Europe, ideas about nature, God, demons and occult forces were inextricably connected and much ink and blood was spilled in arguments over the characteristics and boundaries of nature and the supernatural. Seitz uses records of Inquisition witchcraft trials in Venice to uncover how individuals across society, from servants to aristocrats, understood these two fundamental categories. Others have examined this issue from the points of view of religious history, the history of science and medicine, or the history of witchcraft alone, but this work brings these sub-fields together to illuminate comprehensively the complex forces shaping early modern beliefs.

*Directorium inquisitorum F. Nicolai Eymerici Ordinis Praed. Cum commentariis Francisci Pegnae ..* - Nicolás Eymerich 1587

*The Summa Perfectionis of Pseudo-Geber* - Pseudo-Geber 1991

The present work contains a critical edition, translation, and study of the "Summa perfectionis" of Pseudo-Geber, the most influential of the many texts of medieval alchemy. The study addresses such questions as the author's identity, his corpuscular theory of matter, the influence of the "Summa," and its own sources.

*Shanghai Dream* - Philippe Thirault 2019-07-30

A young German Jewish filmmaker escapes the Nazi threat in Shanghai, where he is forced to adapt to a new land and cope with familial loss through the magic of filmmaking.

*Witchcraft, Demonology, and Confession in Early Modern France* - Virginia Krause 2015-01-19

Situated at the crossroads of history and literary studies, this book examines confession's place at the heart of French demonology. Drawing on evidence from published treatises, the writings of skeptics such as Montaigne, and the documents from a witchcraft trial, Virginia Krause

shows how demonologists erected their science of demons on the confessed experiences of would-be witches.

**The Cynics** - R. Bracht Branham 1996

This collection of essays the first of its kind in English brings together the work of an international group of scholars examining the entire tradition associated with the ancient Cynics. The essays give a history of the movement as well as a state-of-the-art account of the literary, philosophical and cultural significance of Cynicism from antiquity to the present. Arguably the most original and influential branch of the Socratic tradition, Cynicism has become the focus of renewed scholarly interest in recent years, thanks to the work of Sloterdijk, Foucault, and Bakhtin, among others. The contributors to this volume classicists, comparatists, and philosophers draw on a variety of methodologies to explore the ethical, social and cultural practices inspired by the Cynics. The volume also includes an introduction, appendices, and an annotated bibliography, making it a valuable resource for a broad audience. -- Amazon.com.

**Inquisition in the Fourteenth Century** - Derek Hill 2019-03-15

An investigation of two manuals of inquisition reveals much about the practice in action.

Midnight at the Pera Palace: The Birth of Modern Istanbul - Charles King 2014-09-15

"Timely . . . brilliant . . . hugely enjoyable, magnificently researched and deeply absorbing."—Jason Goodwin, *New York Times Book Review* At midnight, December 31, 1925, citizens of the newly proclaimed Turkish Republic celebrated the New Year. For the first time ever, they had agreed to use a nationally unified calendar and clock. Yet in Istanbul—an ancient crossroads and Turkey's largest city—people were looking toward an uncertain future. Never purely Turkish, Istanbul was home to generations of Greeks, Armenians, and Jews, as well as Muslims. It welcomed White Russian nobles ousted by the Russian Revolution, Bolshevik assassins on the trail of the exiled Leon Trotsky, German professors, British diplomats, and American entrepreneurs—a multicultural panoply of performers and poets, do-gooders and ne'er-do-wells. During the Second World War, thousands of Jews fleeing occupied Europe found passage through Istanbul, some with the help of the future Pope John XXIII. At the Pera Palace, Istanbul's most luxurious hotel, so many spies mingled in the lobby that the manager posted a sign asking them to relinquish their seats to paying guests. In beguiling prose and rich character portraits, Charles King brings to life a remarkable era when a storied city stumbled into the modern world and reshaped the meaning of cosmopolitanism.

The Book of Sapphire - Gilbert Sinoué 1999

**LIVRES DU MOIS JUILLET-AOUT 2001** - 2001

**El "Eusebio" de Montengón y el "Emilio" de Rousseau** - Santonja, Pere 1994

**Crypto-judaism and the Spanish Inquisition** - Michael Alpert 2001

Cryptojudaism and the Spanish Inquisition explores Spanish secret Judaism and the Inquisition, which strove to uproot the "Judaizing heresy" among baptized Jews and their descendants. Even in the 18th-century, Cryptojudaism was still prevalent, but the Inquisition finally triumphed. This book describes the private lives of the crypto-Jew, as revealed in their confessions, together with their fate in prison and at the auto defeat at which they abjured their Judaism and were reconciled to the Church or, if not, burnt at the stake.

**The Legacy of Early Franciscan Thought** - Lydia Schumacher 2021-01-18

The legacy of late medieval Franciscan thought is uncontested: for generations, the influence of late-13th and 14th century Franciscans on the development of modern thought has been celebrated by some and loathed by others. However, the legacy of early Franciscan thought, as it developed in the first generation of Franciscan thinkers who worked at the recently-founded University of Paris in the first half of the 13th century, is a virtually foreign concept in the relevant scholarship. The reason for this is that early Franciscans are widely regarded as mere codifiers and perpetrators of the earlier medieval, largely Augustinian, tradition, from which later Franciscans supposedly departed. In this study, leading scholars of both periods in the Franciscan intellectual tradition join forces to highlight the continuity between early and late Franciscan thinkers which is often overlooked by those who emphasize their discrepancies in terms of methodology and sources. At the same time, the contributors seek to paint a more nuanced picture of the

tradition's legacy to Western thought, highlighting aspects of it that were passed down for generations to follow as well as the extremely different contexts and ends for which originally Franciscan ideas came to be employed in later medieval and modern thought.

*REVUE GERMANIQUE* - 1862

**The Road to Corlay** - Richard Cowper 2011-09-29

On the Eve of the Fourth Millennium a slowly-building civilization, struggling out of the rubble of the Drowning, was crushed beneath the sceptre of a powerful and repressive Church. But on the Eve of the Fourth Millennium the sound of a magical pipe was heard, and the air was filled with songs of freedom and enlightenment. And on the Eve of the Fourth Millennium the Boy appeared, bringing the gift of sacrilege, a harbinger of the future, heralding the arrival of the White Bird of Dawning. It is the coming of a New Age. A glorious future bearing the presents of the past!

*A Companion to Heresy Inquisitions* - 2019-03-27

A synthesis of the latest scholarship on the institutions dedicated to the repression of heresy in the medieval and early modern Catholic Church. Livres de France - 2001

*Philosophia Conversionis* - Constantin Teleanu 2014-02-23

L'ouvrage *Philosophia Conversionis* développe une investigation de la première moitié des traités écrits par Raymond Lulle contre les lettrés de l'Université de Paris afin de convaincre Clément V et Philippe le Bel qu'une censure de l'enseignement des sectateurs d'Averroès s'impose au cours des séances du Concile de Vienne qui débute quelques mois après que Lulle quitte Paris en septembre 1311. L'auteur aborde amplement chaque traité de Lulle dont les aspects doctrinaux sont évalués par rapport à l'ensemble de l'Art de Lulle pour mieux distinguer leurs corrélations. Le travail de l'auteur compare les erreurs reportées par Lulle aux commentaires d'Averroès ou des artiens qui citent Averroès pour soutenir les mêmes erreurs. Il réévalue le mode de comprendre comment Lulle entretient la dispute avec les lettrés des Facultés de Paris pour découvrir quelles erreurs y sont enseignées avant de les réfuter.

**Livres hebdo** - 2007

**The Rabbi's Cat** - Joann Sfar 2005

Gaining the ability to speak after swallowing a parakeet, the rabbi's cat uses his newfound talent to tell lies, the consequences of which lead to being banned from contact with the rabbi's daughter and an education in the Torah, despite his preference for the Kabbalah and his desire for a bar mitvah. Reprint. 20,000 first printing.

The Vampires of Alfama - Pierre Kast 1976

*Ecce and Old Earth* - Jack Vance 1991

The planet Cadwal is a governed by a Conservancy and is the property of the Nauralist Society. Wayness Tamm and Glawen Clattuc search for the deed and charter which have been sold by an unscrupulous official to an antique dealer.

**The Call of Earth** - Orson Scott Card 2009-11-30

As Harmony's Oversoul grows weaker, a great warrior has arisen to challenge its bans. His name is Moozh, and he has won control of an army using forbidden technology. Now he is aiming his soldiers at the city of Basilica, that strong fortress above the Plain. Basilica remains in turmoil. Wetchik and his sons are not strong enough to stop an army. Can Rasa and her allies defeat him through intrigue, or will Moozh take the city and all who are in it? Orson Scott Card's Homecoming series *The Memory of Earth* *The Call of Earth* *The Ships of Earth* *Earthfall* *Earthborn* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Copernicus Banned* - Natacha Fabbri 2018

This book sheds light on various philosophical, theological, political and cultural aspects of the discussions that arose around the 'temerity' of Copernicanism and that eventually led to its prohibition by the Church.

**The Intolerant Middle Ages** - Eugene Smelyansky 2020-09-10

*The Intolerant Middle Ages* is a collection of primary sources on the history of persecution. The goal of the book is to highlight instances of persecution and violence, as well as those relatively rare but significant episodes of toleration, toward an intentionally broad spectrum of people who existed at the margins of medieval society: heretics, Jews and Muslims, the poor, the displaced and disabled, women, and those deemed sexually deviant. The volume also presents a more geographically diverse Middle Ages by including sources from Central and Eastern Europe as well as the Mediterranean. Sources are organized

in thematic chapters, covering everything from "Heresy and Inquisition" to "Disease and Disability." Each document is preceded by a brief introduction and followed by questions for discussion, making *The Intolerant Middle Ages* an excellent entrance into the lives and struggles of minorities in the medieval world.

*Helliconia Summer* - Brian W. Aldiss 2014-04-01

The Grand Master of Science Fiction's "monumental" epic continues as *Helliconia* nears its larger star—and a strange visitor joins its civilization (*The Times*, London). A handful of centuries on, *Helliconia* is close to the larger star in its binary system, and the Phagors have been driven into exile, but conflicting religions and hostility to science keep human civilization fragmented and constantly fighting wars over petty power and fertile land as a plague devastates populations. However, everything changes when a secret visitor from the observer satellite from Earth

accepts a slow death in order to visit the planet and spend his time in the sunlight and open air. More than thirty years after the original publication of *Helliconia Spring*, the first volume of the *Helliconia Trilogy*, the series is newly available, now with a map, an afterword, and an introduction by the author.

**Mark the Lion Awakens** - Xavier Dorison 2005-10-12

At the dawn of the 14th century, a disgraced inquisitor and his young disciple find themselves at the heart of a struggle for power between medieval Europe's occult powers. From the halls of Notre Dame to the most distant abbeys, they embark on a quest for the greatest mystery of all: the Third Testament.

*Making Archives in Early Modern Europe* - Randolph C. Head 2019-06-27

Compares the archives of European states after 1500 to reveal changes in how records supported memory, authority and power.
