The highly anticipated, mind-blowing New York Times bestselling sequel to Kiersten White's New York Times bestseller, *AND I DARKEN*—the series that reads like HBO's *Game of Thrones* . . . if it were set in the Ottoman Empire. A *SISTER FILLED WITH RAGE* Lada Dracul has no allies. No crown. All she has is what she's always had: herself. After failing to secure the Wallachian

throne, Lada is out to punish anyone who dares cross her. She storms the countryside with her men, but brute force isn't getting Lada what she wants. And thinking of Mehmed, the defiant Ottoman sultan, brings little comfort to her thorny heart. There's no time to wonder whether he still thinks about her, even loves her. She left him before he could leave her. *HER BROTHER CAUGHT IN THE CROSSHAIRS* Lada needs the support of her diplomatic younger brother, Radu. But Mehmed has sent him to Constantinople—and it's no diplomatic mission. Mehmed wants control of the city, and Radu has earned an unwanted place as a double-crossing spy behind enemy lines. And for the first time in his life, when Lada asks him for help, he refuses . . . leading his sister to make the darkest of choices. *THE ULTIMATE POWER PLAY* Torn between loyalties to faith, to the Ottomans, and to Mehmed, Radu knows he owes Lada nothing. If she dies, he could never forgive himself—but if he fails in Constantinople, would Mehmed ever forgive him? As nations fall around them, the Dracul siblings must decide: what will they sacrifice to fulfill their destinies? Empires will topple, thrones will be won . . . and souls will be lost. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight. This paperback edition of *Legendborn* contains a teaser to the thrilling sequel, *Bloodmarked*, as well as an exclusive short story from Selwyn Kane's perspective!

The Warrior Maiden - Melanie Dickerson 2019-02-05

She is expected to marry, cook, and have children—and instead she's sneaking off to war. Can she manage to stay alive, save her mother,

and keep the handsome son of a duke from discovering her secret? The Warrior Maiden is a reimagining of the classic Mulan tale in medieval Europe. When Mulan takes her father's place in battle against the besieging Teutonic Knights, she realizes she has been preparing for this journey her whole life—and that her life, and her mother's, depends on her success. As the adopted daughter of poor parents, Mulan has little power in the world. If she can't prove herself on the battlefield, she could face death—or, perhaps worse, marriage to the village butcher. Disguised as a young man, Mulan meets the German duke's son, Wolfgang, who is determined to save his people even if it means fighting against his own brother. Wolfgang is exasperated by the new soldier who always seems to be one step away from disaster—or showing him up in embarrassing ways. From rivals to reluctant friends, Mulan and Wolfgang begin to share secrets. But war is an uncertain time and dreams can die as quickly as they are born. When Mulan receives word of danger back home, she must make the ultimate choice. Can she be the son her bitter father never had? Or will she become the strong young woman she was created to be? This fresh twist on the classic tale takes us to fifteenth-century Lithuania where both love and war challenge the strongest of heroes.
