2013-08-28

It had been easy to fall in love with Jack, metal musician and father of her child. Staying in love with Jack Storm the rock star while adjusting to a new life in Los Angeles is anything but easy. Is this the rock star life? To Marissa, her future seems as mysterious as dusk's shimmering shadows beneath the surface of the luxurious guitar shaped pool. There is no doubt this could be her dream house, her dream life with the man she loves. Not so dreamy is all that she is beginning to see packaged with him. The crazy hours of a very active life. The garbage behind the glam. Mostly, a moody and presumptuous rock star whose public persona is opposite of the sweet celebrity she fell for. "Storm's Eye" is book 2 of the G Strings Anniversary Set. It is Jack Who as originally written, in first POV with extra steamy chapters. It can stand alone, but is greatly enhanced by reading Eye of the Storms.

**Filthy Commitments** - Michelle Love 2020-04  
Falling for a bad boy was a bad idea. Signing a contract to be his sub was even worse. This was my last year of college, and I needed money fast.

With no prior experience with any job, I was stuck. But that was until a friend told me about an exclusive club for billionaires. To join, I only needed to tell them about myself and take some physical tests. Everything was quick, and I was in after agreeing to the terms and conditions. That same day I got a message from one club member. We talked, and he offered me more money than I could ever imagine. After seeing his profile, I accepted to meet him without hesitation, and we met the next day. He was built like a beast. Tall, muscular with dark green eyes. At the club, I was given my first contract, and I signed it carelessly. That was my biggest mistake. I signed up to satisfy his deepest desires in bed. Not fake marry him and have his baby!

Six bestselling full length novels. Your all access backstage pass to the world's most dysfunctional rock band. Tempest rocking. Tempest rolling. Tempest raging out of control. The complete series includes all six books boxed together digitally for the first time ever. Over 1200 pages. It also includes a bonus excerpt of The Right Man. IRRESISTIBLE REFRAIN Two years ago everything changed for the remaining members of the Seattle rock band Tempest. Two years is a long time. Too long to keep on remembering. Not nearly long enough to forget. In trouble with nowhere else to go songstress Lace Lowell seeks

refuge with the band during their stop in New York City. It's a risky move for her because they are both there, two impossibly good looking men whose lives are inseparably entwined with hers.

One who bruised her heart and one who smashed it into pieces. ENTICING INTERLUDE To the talented vocalist Justin Jones, love is merely a game that he plays by his own rules. But to Bridget Dubois, love and heartache are one and the same. Broken too many times before, the delicate beauty keeps her emotions carefully concealed. Bridget has her own set of rigid rules when it comes to men. She prefers to avoid them altogether, especially dangerously seductive auburn haired emerald eyed players like Justin. CAPTIVATING BRIDGE Warren "War" Jenkins is that guy. The bad one.

Tempest's ex front man, an arrogant rock god. The only thing larger than his ego is his capacity for self-destruction. His bad attitude has cost him. His woman. His best friend. His band. Everything. Shaina Bentley is that girl. The good one. Hollywood's pink candy-coated sweetheart. The star of Pinky Swear, television's top rated teen show. He's a one man island. She's a fragile captive soul. Is love a current too dangerous to cross or will it be the bridge that brings them together? RELENTLESS RHYTHM The one she really wants is out of reach. The one he really needs is already taken. Dizzy Lowell, rhythm man for the rising rock band Tempest is a wizard on the guitar and a wonder with women. But the hookup specialist hides his emotional scars beneath his suave exterior. He never lets anyone truly touch him until he meets April Reynolds, the confident bartender of the Diamond Mine. TEMPTING TEMPO Sager Reed the strong and silent bassist for the rock band Tempest is well acquainted with loss. The thoughtful tattoos he designs only hint at his turbulent youth. He buries his guilt about it deeply within his troubled heart. Melinda T. Belle is the daughter of a dysfunctional rock legend. Avoiding emotional entanglement, she has turned her back on nearly everyone and everything she has ever known. Alone, she tries desperately to find fulfillment in the one dream she has left, competitive skiing. Can Sager overcome his dark past? Will Melinda realize her worth? Will they both see that love is only thing that really matters? SCANDALOUS BEAT A rock star. A

stripper. Can a hookup lead to a happily ever after? BONUS CONTENT: THE RIGHT MAN A pretty woman and a handsome rock star A modern retelling of Cinderella. **The Rock Star's Baby Bargain** - Lili Valente  
2020-06-23

Two days after my boyfriend dumps me, my business goes belly up, and the sperm bank declines my credit card, a gorgeous rock star offers to whisk me away for two weeks of hot, steamy, all-expenses paid...therapy. I should say no. I'm not looking for a fling. I want a man who'll be a father to the baby I'm desperate to conceive. Or, at the very least, a guy willing to knock me up before we go our separate ways. Zack isn't that guy. He's my best friend's oldest pal, and in my social circle for the long haul. I could never ask him a favor like this. That would be crazy. The problem? Turns out, I'm crazy. And so is Zack...

**The Sweet Girl** - Annabel Lyon 2012-09-18  
A bold and captivating new novel of ancient Greece, from the celebrated, award-winning author of *The Golden Mean*. Pythias is her father's daughter, with eyes his exact shade of unlovely, intelligent grey. A slave to his own curiosity and intellect, Aristotle has never been able to resist wit in another--even in a girl child who should be content with the kitchen, the loom and a life dictated by the womb. And oh his little Pytho is smart, able to best his own students in debate and match wits with a roomful of Athenian philosophers. Is she a freak or a harbinger of what women can really be? Pythias must suffer that argument, but she is also (mostly) secure in her father's regard. But then Alexander dies a thousand miles from Athens, and sentiment turns against anyone associated with him, most especially his famous Macedonian-born teacher. Aristotle and his family are forced to flee to Chalcis, a garrison town. Ailing, mourning and broken in spirit, Aristotle soon dies. And his orphaned daughter, only 16, finds out that the world is a place of superstition, not logic, and that a girl can be

played upon by gods and goddesses, as much as by grown men and women. To safely journey to a place in which she can be everything she truly is, Aristotle's daughter will need every ounce of wit she possesses, but also grace and the capacity to love.

The Rock Star's Email Order Bride - Demelza Carlton 2018-03-05

A mail order bride and a rock god: can they make fairy tales come true? In the final year of her business degree, Phuong has her future all mapped out. Finish studying, then go home and save her family's business. Until her father dies and it all falls apart. Broke and jobless, she stumbles on a solution: find herself an Australian husband. Fast. She's not looking for love - Phuong doesn't believe in fairy tales. Her marriage will be a business deal, pure and simple. But when she meets her husband-to-be and discovers he's a reclusive rock star living at Romance Island Resort, maybe it's time to believe a girl can live happily ever after. A tiny taste of what's in store: Idly, she clicked on one of the unread messages from some other man whose profile was a sculpted, headless torso, like something cropped from the cover of a romance novel. Mr Six-Pack's message was short: "I'm looking for a woman who knows all fairy tales are lies, but who still hopes one might come true." Reflexively, Phuong clicked on his profile. Mr Six-Pack was a gym junkie, he admitted, who went by the name of Lucky Jason. He worked on a remote island, but it was lonely and he wanted to share his living accommodation with someone who could brighten the darkness at night. Or so he said. She laughed softly before clapping a hand over her mouth at the thought that she might wake Norman. His snores continued, like he was sawing down a tree with his nose in his sleep, so she breathed a sigh of relief and returned to ogling Jason's abs. Desire flooded through her for the first time in months. She hit the reply button. "Which fairy tale did you have in mind, and which character are you? The big bad wolf, the woodcutter or Prince Charming?" Before she could think better of it, she sent the message. The response came back almost instantly: "What

would you like me to be? I can cut down everyone keeping you from me, carry you off to my castle like Prince Charming, then turn into the big bad wolf and eat you all up until you scream for joy." "That only happens in books," she whispered to herself, then typed the words and fired them off. Lucky Jason had an answer for that, too: "One day, some romance author will write books about us and a million lonely women will crave the sort of sex you only have to ask for." Arrogant much? "No one's that good. What if I'm after Prince Charming, a man who loves me, listens to me and wants to take care of me, and I'm not interested in sex?" "Prince Charming is a prick who'll smother you and turn jealous if you look at anyone else. He'll lock you in a tower and never let you out. And he wouldn't know what to do with his own c\*ck, let alone your body. Prince where-do-I-put-my-prick. That's not me, babe." "No? You don't get jealous? What do you do when your girl looks at another man?" "Grin and wink at the guy while my arm's around her. He'll never be me and never have what I do, but that's cool. Not everyone's as awesome as me. Let me show you, babe." **How It Feels to Float** - Helena Fox 2019-05-07

A Kirkus Reviews Best Book of the Year A Chicago Public Library Best of the Best of the Year "Profoundly moving . . . Will take your breath away." —Kathleen Glasgow, author of *Girl in Pieces* A stunningly gorgeous and deeply hopeful portrayal of living with mental illness and grief, from an exceptional new voice. Biz knows how to float. She has her people, her posse, her mom and the twins. She has Grace. And she has her dad, who tells her about the little kid she was, and who shouldn't be here but

is. So Biz doesn't tell anyone anything. Not about her dark, runaway thoughts, not about kissing Grace or noticing Jasper, the new boy. And she doesn't tell anyone about her dad. Because her dad died when she was seven. And Biz knows how to float, right there on the surface—normal okay regular fine. But after what happens on the beach—first in the ocean, and then in the sand—the tethers that hold Biz steady come undone. Dad disappears and, with him, all comfort. It might be easier, better, sweeter to float all the way away? Or maybe stay a little longer, find her father, bring him back to her. Or maybe—maybe maybe maybe—there's a third way Biz just can't see yet. Debut author Helena Fox tells a story about love and grief, about inter-generational mental illness, and how living with it is both a bridge to someone loved and lost and, also, a chasm. She explores the hard and beautiful places loss can take us, and honors those who hold us tightly when the current wants to tug us out to sea. "Give this to all [your]
