On Christian Belief - Saint Augustine (of Hippo) 2005

Contains the seven works of Saint Augustine, dealing with the problem of faith in God.

A Church in Crisis: Pathways Forward - Ralph Martin 2020-10-01

Nearly forty years ago, Ralph Martin's bestselling A Crisis of Truth exposed the damaging trends in Catholic teaching and preaching that, combined with attacks from secular society, threatened the mission and life of the Catholic Church. While much has been done to counter false teaching over the last four decades, today the Church faces even more insidious threats—from outside and within. In A Church in Crisis: Pathways Forward, Martin offers a detailed look at the growing hostility to the Catholic Church and its teaching. With copious evidence, Martin uncovers the forces working to undermine the Body of Christ and offers hope to those looking for clarity. A Church in Crisis covers: -polarization in the Church caused by ambiguous teachings -initiatives that accommodate the culture without calling for conversion -Vatican-sponsored partnerships with organizations that actively contradict the teaching of the Catholic Church -and the recycling of theological errors long settled by Vatican II, Pope St. John Paul II, and Pope Benedict XVI. Powerfully written, A Church in Crisis reminds all readers to heed Jesus' express command not to lead His children astray. With ample resources to encourage readers, Ralph Martin provides the solid foundation of Catholic teaching—both Scripture and Tradition—to fortify Catholics against the errors that threaten us from all directions.

The City of God Books 1-10 - Saint Augustine

The Confessions of Saint Augustine - Augustine of Hippo 2009-10-18

Confessions of Augustine written by legendary philosopher and theologian Saint Augustine is an autobiographical work which is widely considered to be one of the greatest books of all time. This great classic will surely attract a whole new generation of readers. For many, Confessions of Augustine is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Saint Augustine is highly recommended. Published by Classic Books America and beautifully produced, Confessions of Augustine would make an ideal gift and it should be a part of everyone's personal library.

The City of God - Saint Augustine 2018-06-20

The City of God Against the Pagans , often called The City of God, is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD. The book was in response to allegations that Christianity brought about the decline of Rome and is considered one of Augustine's most important works, standing alongside The Confessions, The Enchiridion, On Christian Doctrine and On the Trinity. As a work of one of the most influential Church Fathers, The City of God is a cornerstone of Western thought, expounding on many profound questions of theology, such as the suffering of the righteous, the existence of evil, the conflict between free will and divine omniscience, and the doctrine of original sin.

Writings of Augustine (Annotated) - Keith Beasley-Topliffe 2017-04-01

With: Historical commentary Biographical info Appendix with further readings For nearly 2,000 years, Christian mystics, martyrs, and sages have documented their search for the divine. Their writings have bestowed boundless wisdom upon subsequent generations. But they have also burdened many spiritual seekers. The sheer volume of available material creates a seemingly insurmountable obstacle. Enter the Upper Room Spiritual Classics series, a collection of authoritative texts on Christian spirituality curated for the everyday reader. Designed to introduce 15 spiritual giants and the range of their works, these volumes are a first-rate resource for beginner and expert alike. Writings of Augustine compiles some of the most profound and moving writings of the 4th-century African Christian who had a vast influence on the

Christian church and Western culture. Included are excerpts from Augustine's Confessions and other writings.

The Secret - Sean Kelly & Ted Mann & Byron Preiss 2014-03-18

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

Saint Augustine's Memory - Saint Augustine (of Hippo) 2002

Follows the writer's meditative reflections on his life before and after baptism, during which he considers the role of memory in the shaping of identity and one's relationship with God.

Confessions - Augustine of Hippo 2008-12-30

Garry Wills is an exceptionally gifted translator and one of our best writers on religion today. His bestselling translations of individual chapters of Saint Augustine's Confessions have received widespread and glowing reviews. Now for the first time, Wills's translation of the entire work is being published as a Penguin Classics Deluxe Edition. Removed by time and place but not by spiritual relevance, Augustine's Confessions continues to influence contemporary religion, language, and thought. Reading with fresh, keen eyes, Wills brings his superb gifts of analysis and insight to this ambitious translation of the entire book. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Rule of Saint Augustine - Hugh Of St Victor 2021-03-06

The Rule of Saint Augustine, written Augustine of Hippo (354-430), is a brief document which served as a guide for the servants of God. It is the oldest monastic rule in the Western Church. The Rule addresses chastity, poverty, obedience, worldliness, labor, hierarchy, charity, prayer, fasting and abstinence, care of the sick, silence and host of other questions. It came into use on a wide scale from the twelfth century onwards and continues to be employed today by many orders, including the Dominicans, Servites, Mercederians, Norbertines, and Augustinians. The Commentary, traditionally attributed to Hugh of St. Victor (c.1096 -1141), offers a wealth of insight on this important document. This edition was translated from the original Latin by Dom Aloysius Smith and formatted for publication by Chaucer House Press.

The City of God Books 11-22 - Saint Augustine 2014-06-18

Along with his Confessions, The City of God is undoubtedly St. Augustine's most influential work. In the context of what begins as a lengthy critique of classic Roman religion and a defense of Christianity, Augustine touches upon numerous topics, including the role of grace, the

original state of humanity, the possibility of waging a just war, the ideal form of government, and the nature of heaven and hell. But his major concern is the difference between the City of God and the City of Man – one built on love of God, the other on love of self. One cannot but be moved and impressed by the author's breadth of interest and penetrating intelligence. For all those who are interested in the greatest classics of Christian antiquity, *The City of God* is indispensable. This long-awaited translation by William Babcock is published in two volumes, with an introduction and annotation that make Augustine's monumental work approachable. Books 11-22 offer Augustine's Christian view of history, including the Christian view of human destiny. The INDEX for Books 1-22 (both volumes of *The City of God*) is contained in this edition.

**On Christian Doctrine** - Saint Augustine of Hippo 1877

There are two things on which all interpretation of Scripture depends: the mode of ascertaining the proper meaning, and the mode of making known the meaning when it is ascertained. We shall treat first of the mode of ascertaining, next of the mode of making known, the meaning;—a great and arduous undertaking, and one that, if difficult to carry out, it is, I fear, presumptuous to enter upon. And presumptuous it would undoubtedly be, if I were counting on my own strength; but since my hope of accomplishing the work rests on Him who has already supplied me with many thoughts on this subject, I do not fear but that He will go on to supply what is yet wanting when once I have begun to use what He has already given. For a possession which is not diminished by being shared with others, if it is possessed and not shared, is not yet possessed as it ought to be possessed. The Lord saith "Whosoever hath, to him shall be given." Aeterna Press

**On the Road with Saint Augustine** - James K. A. Smith 2019-10-01

□ Publishers Weekly starred review This is not a book about Saint Augustine. In a way, it's a book Augustine has written about each of us. Popular speaker and award-winning author James K. A. Smith has spent time on the road with Augustine, and he invites us to take this journey too, for this ancient African thinker knows far more about us than we might expect. Following Smith's successful *You Are What You Love*, this book shows how Augustine can be a pilgrim guide to a spirituality that meets the complicated world we live in. Augustine, says Smith, is the patron saint of restless hearts—a guide who has been there, asked our questions, and knows our frustrations and failed pursuits. Augustine spent a lifetime searching for his heart's true home and he can help us find our way. "What makes Augustine a guide worth considering," says Smith, "is that he knows where home is, where rest can be found, what peace feels like, even if it is sometimes ephemeral and elusive along the way." Addressing believers and skeptics alike, this book shows how Augustine's timeless wisdom speaks to the worries and struggles of contemporary life, covering topics such as ambition, sex, friendship, freedom, parenthood, and death. As Smith vividly and colorfully brings Augustine to life for 21st-century readers, he also offers a fresh articulation of Christianity that speaks to our deepest hungers, fears, and hopes.

**The Confessions of Saint Augustine - Complete Thirteen Books** - Saint Augustine 2008-03

Please visit [www.ArcManor.com](http://www.ArcManor.com) for more books by this and other great authors.

**Homilies on the Gospel of John 1-40** - Saint Augustine (of Hippo) 2014

Few ancient Christian authors attempted anything like a complete commentary on the Gospel of John, among them Origen, John Chrysostom and Augustine. Of these, Augustine's must count as the greatest. Unlike Origen's, it has come down to us in its entirety, and of the others that remain it is certainly the most theologically profound. John's gospel allows Augustine to range broadly over themes that were his life's work --the Trinity, the person of Christ, the nature of the Church and its sacraments, the fulfillment of the divine plan. The 124 homilies that constitute Augustine's commentary, however, are masterpieces not only of theological profundity but also of pastoral engagement. In the question-and-answer style that he frequently employs, for example, one can sense Augustine's real awareness of his congregation's struggles with the gospel text. And the congregation's response to Augustine, which he frequently alludes to, is an indication of the success of his dialogical preaching style. The Johannine literature drew out the best in Augustine. The Homilies on the Gospel of John are the indispensable complement to *The Homilies on The First Epistle of John*, published in this series, and they should be a part of any serious theological library.-- From publisher's website.

*The Life of Saint Augustine* - Saint Augustine (of Hippo) 1844

**Expositions of the Psalms 73-98 (Vol. 4)** - Saint Augustine (of Hippo) 2002

In 1990, New City Press, in conjunction with the Augustinian Heritage Institute, began the project known as: *The Works of Saint Augustine, A Translation for the 21st Century*. The plan is to translate and publish all 132 works of Saint Augustine, his entire corpus into modern English. This represents the first time in which *The Works of Saint Augustine* will all be translated into English. Many existing translations were often archaic or faulty, and the scholarship was outdated. New City Press is proud to offer the best modern translations available. *The Works of Saint Augustine, A Translation for the 21st Century* will be translated into 49 published books. To date, 41 books have been published by NCP containing 93 of *The Works of Saint Augustine, A Translation for the 21st Century*. Augustine's writings are useful to anyone interested in patristics, church history, theology and Western civilization. -- Publisher. **St. Augustine's Prayer Book** - 2013

**The City of God** - Saint Augustine of Hippo 2021-03-02

LARGE PRINT EDITION, easy to read layout, complete footnotes (>1000). "The City of God, for those who can understand it, contains the secret of death and life, war and peace, hell and heaven."-Thomas Merton "Of all the saints, Augustine is possibly the one who, as the Quakers phrase it, 'speaks most clearly to our condition.' Today as fifteen hundred years ago."-Anne Fremantle, *Saints Alive!* The philosopher Saint Augustine wrote *The City of God* (*De civitate Dei contra paganos*), a philosophical treatise vindicating Christianity, about 413-426 CE. With designs to solidify the Christianization of the Roman world, Saint Augustine has led one of the biggest battles against heresy. His love of rhetoric combined with his relentless philosophical search paved the way for his historic legacy-to this day. He influenced the work of Thomas Aquinas and John Calvin and many other theologians throughout the centuries. The first part (Books I-X) is a polemical critique of Roman religion and philosophy, corresponding to the Earthly City. The second half of *The City of God* (Books XI-XXII) turns to Augustine's defense of Christianity in the context of his philosophy and theology of history. BOOKS I-XII- also available *The City of God-BOOKS XIII-XXII Excerpts*: "The glorious city of God is my theme in this work, which you, my dearest son Marcellinus, suggested, and which is due to you by my promise. I have undertaken its defense against those who prefer their own gods to the Founder of this city-a city surpassingly glorious, whether we view it as it still lives by faith in this fleeting course of time, and sojourns as a stranger in the midst of the ungodly, or as it shall dwell in the fixed stability of its eternal seat, which it now with patience waits for, expecting until "righteousness shall return unto judgment,"<sup>1</sup> and it obtain, by virtue of its excellence, final victory and perfect peace. A great work this, and an arduous; but God is my helper. For I am aware what ability is requisite to persuade the proud how great is the virtue of humility, which raises us, not by a quite human arrogance, but by a divine grace, above all earthly dignities that totter on this shifting scene. For the King and Founder of this city of which we speak, has in Scripture uttered to His people a dictum of the divine law in these words: "God resisteth the proud, but giveth grace unto the humble."<sup>2</sup> But this, which is God's prerogative, the inflated ambition of a proud spirit also affects, and dearly loves that this be numbered among its attributes, to Show pity to the humbled soul, And crush the sons of pride.<sup>3</sup> And therefore, as the plan of this work we have undertaken requires, and as occasion offers, we must speak also of the earthly city, which, though it be mistress of the nations, is itself ruled by its lust of rule." (1 Ps. 94:15, rendered otherwise in English versions. 2 Jas. 4:6 and 1 Pet. 5:5. 3 Virgil *Aeneid* 6.854.)

The Trinity - Saint Augustine (Bishop of Hippo.) 2012

Augustine knows by faith that God is a trinity, Father, Son and Holy Spirit, and he is seeking as far as possible to understand what he believes. In the first seven books Augustine begins by searching the scriptures of the Old and New Testaments for clues to understanding and then argues in the language of philosophy and logic to defend the orthodox statement of the doctrine against the Arians. In the last eight books Augustine seeks to understand the mystery of the divine Trinity by observing an analogous trinity in the image of God, which is the human mind; and in so doing, he also suggests a program for the serious Christian of spiritual self-discovery and renewal. This second edition is newly produced, now featuring convenient footnotes rather than the previously used endnotes.

Light of Reason, Light of Faith - Maurice Ashley Agbaw-Ebai 2021-02-26

Fr. Maurice Ashley Agbaw-Ebai, a native of Cameroon, has written a fresh, exciting new study of the lifelong engagement of Josef Ratzinger, later Pope Benedict XVI, with the German Enlightenment and its contemporary manifestations and heirs. Contemporary European disdain for organized religion and the rise in secularism on that continent has deep roots in the German Enlightenment. To understand contemporary Europe, one must return to this crucial epoch in its history, to those who shaped the European mind of this era, and to a study of the ideas they espoused and propagated. These ideas, for good or for ill, have taken hold in other parts of the modern world, being incarnated in many minds and institutions in contemporary society and threatening to enthrone a disfigured rationality without faith or a sense of Transcendence. Ratzinger's extraordinary and sympathetic understanding of the sources of contemporary secularism equipped him to appreciate the gains of the Enlightenment, while still being a fierce critic of the losses humanity has suffered when reason falsely excludes faith. Fr. Agbaw-Ebai's account reveals Ratzinger, in relation to his various interlocutors, to be the truly "enlightened" one because he demonstrates a truly balanced understanding of the human mind. To be truly rational one must be able to hold to faith and reason both, reason informed by faith in Jesus Christ. A particular merit of this book is Agbaw-Ebai's presentation of Ratzinger's treatment of the German Enlightenment's greatest contributors: Kant, Nietzsche, Hegel and Habermas, among others. In the postscript George Weigel characterizes what this study accomplishes in the larger framework of scholarship. "[Ratzinger's] position remains too often misunderstood, and sometimes deliberately misinterpreted, throughout the whole Church. And to misunderstand, or misinterpret, Ratzinger is to misunderstand or misinterpret both the modern history of theology and the Second Vatican Council." Agbaw-Ebai masterfully positions Ratzinger correctly in the history of ideas, and exhibits why Ratzinger will be remembered as one of its main players. Pure rationalists and true believers are equally indebted to him.

**Augustine** - Robin Lane Fox 2015-11-03

"This narrative of the first half of Augustine's life conjures the intellectual and social milieu of the late Roman Empire with a Proustian relish for detail." --New York Times In Augustine, celebrated historian Robin Lane Fox follows Augustine of Hippo on his journey to the writing of his Confessions. Unbaptized, Augustine indulged in a life of lust before finally confessing and converting. Lane Fox recounts Augustine's sexual sins, his time in an outlawed heretical sect, and his gradual return to spirituality. Magisterial and beautifully written, Augustine is the authoritative portrait of this colossal figure at his most thoughtful, vulnerable, and profound.

**Medicine Meets Virtual Reality 22** - J.D. Westwood 2016-04-19

In the early 1990s, a small group of individuals recognized how virtual reality (VR) could transform medicine by immersing physicians, students and patients in data more completely. Technical obstacles delayed progress but VR is now enjoying a renaissance, with breakthrough applications available for healthcare. This book presents papers from the Medicine Meets Virtual Reality 22 conference, held in Los Angeles, California, USA, in April 2016. Engineers, physicians, scientists, educators, students, industry, military, and futurists participated in its creative mix of unorthodox thinking and validated investigation. The topics covered include medical simulation and modeling, imaging and visualization, robotics, haptics, sensors, physical and mental rehabilitation tools, and more. Providing an overview of the state-of-the-art, this book will interest all those involved in medical VR and in innovative healthcare, generally.

*Teaching Christianity* - Saint Augustine (of Hippo) 1996

Teaching Christianity is the most original book Augustine ever wrote. It is not so much a treatise or scholarly work but an instruction manual on how to teach Christianity. He wrote this how to book for those who would be preaching and explaining Christianity. It is entirely based on the bible and helps the reader express its truths of faith with soundproof methodology. It is a book that will help readers to communicate their message in a clear and effective way. Edmund Hills new translation of Augustines treatise On Christian Doctrine is superb. His early and mature thought on how to understand scripture and how to communicate that understanding to others is set forth clearly and attractively. The translator has shown great discernment in his choice of words and in their placement. This makes for a smooth reading. Extremely valuable are the scholarly endnotes provided after each of the four books. The new title chosen by Edmund Hill, namely, Teaching Christianity indicates that Augustine is here instructing the African clergy, probably the bishops, how to preach effectively to their congregations. The treatise is not focused on doctrine. Sr. Mary T. Clark, RSCJ Manhattanville College President, Society for Medieval and Renaissance Philosophy

**Confessions** - Augustine 2012-01-01

"Spirituality involves taking our personal experience seriously as raw material for redemption and holiness, examining the material of our daily lives with as much rigor as we do Scripture and doctrine. Confessions is the landmark work in this exercise." Eugene Peterson Saint Augustine wasn't always a saint. He led a turbulent and licentious youth, and belonged to the fourth century equivalent of a street gang. At the age of 29, he met a young man, Ambrose, whose intelligence, kindness and strong faith fascinated and puzzled Augustine. Then at the age of thirty-two, under Ambrose's tutelage, Augustine converted to Christianity and went on to be one of the most influential Christians throughout history. Written in 400 AD, less than a decade after his ordination to the priesthood, a mere four years after becoming bishop of Hippo, he wrote Confessions in his forties. He was a man looking back and looking forward, an apt simile perhaps for the role Augustine played in the history of the Church, that of a bridge between two distinct eras. Confessions traces a pilgrimage of unbounded grace, passionately wrestling with the spiritual questions that have engaged thoughtful minds since time began. It is Augustine's utter candor about his own sin and his struggle to reconcile his mind and soul to God's holy character that made Confessions the classic that it has been for fifteen centuries and compelling to readers still today. Companion volume to HP's trade paper edition of Augustine's City of God Classic text, edited by Albert Cook Outler Larger, easy-to-read edition Competitively priced "It is difficult to find a theologian - from any age - who has not been influenced by the teachings of St. Augustine." Richard Foster, Devotional Classics.

**On Order** - Saint Augustine (Bishop of Hippo.) 2007

"The present translation puts in St. Augustine's mouth and pen expressions which he would likely use were he to speak English today. For the sake of clarity the dialogue is rendered in modern form, eliminating all the "I said," "he said," and putting the initials of the debaters instead. This first bilingual edition of On Order shows the Latin side-by-side with the translation for easy reference."--Jacket.

The Works of Saint Augustine: v. 1. Sermons on the Old Testament, 1-19 - Saint Augustine (Bishop of Hippo.) 1990

The City of God - Saint Augustine (of Hippo) 1957

**Augustine in His Own Words** - Augustin ((saint ;) 2010

This volume offers a comprehensive portrait--or rather, self-portrait, since its words are mostly Augustine's own--drawn from the breadth of his writings and from the long course of his career

**Augustine of Hippo** - Peter Brown 2013-11-05

This classic biography was first published forty-five years ago and has since established itself as the standard account of Saint Augustine's life and teaching. The remarkable discovery of a considerable number of letters and sermons by Augustine cast fresh light on the first and last decades of his experience as a bishop. These circumstantial texts have led Peter Brown to reconsider some of his judgments on Augustine, both as the author of the Confessions and as the elderly bishop preaching and writing in the last years of Roman rule in north Africa. Brown's reflections on the significance of these exciting new documents are contained in two chapters of a substantial Epilogue to his biography (the text of which is unaltered). He also reviews the changes in scholarship about Augustine since the 1960s. A personal as well as a scholarly fascination infuse the book-length epilogue and notes that Brown has added to his acclaimed portrait of the bishop of Hippo.

**The Complete Works of Saint Augustine (50+) - Saint Augustine**  
2021-10-27

Augustine's writings influenced the development of Western philosophy and Western Christianity, and he is viewed as one of the most important Church Fathers of the Latin Church in the Patristic Period. His many important works include *The City of God*, *On Christian Doctrine*, and *Confessions*. His masterpieces has spawned innumerable other books and articles since. Later philosophers and theologians have been deeply influenced by *The City of God*, with its impact being felt from literature and historiography. Its greatest influence has been within the Christian church itself. Classic *About the Timeless City* is now an undisputed classic. The sheer scope of the work is impressive. 1. *The City of God* 2. *On Christian Doctrine* 3. *The Confessions of Saint Augustine* 4. *Letters of Saint Augustine* 5. *The Soliloquies* 6. *Expositions on the Book of Psalms* 7. *Our Lord's Sermon on the Mount, According to Matthew* 8. *The Harmony of the Gospels* 9. *On the Holy Trinity* 10. *The Fifteen Books of Aurelius Augustinus, Bishop of Hippo, on the Trinity* 11. *Lectures or Tractates on the Gospel According to St. John* 12. *Doctrinal Treatises* 13. *On Faith and the Creed* 14. *Concerning Faith of Things Not Seen* 15. *Moral Treatises* 16. *Of the Work of Monks* 17. *Anti-Pelagian Writings* 18. *Anti-Manichaean Writings* 19. *Anti-Donatist Writings* 20. *Sermons (Homilies)*

***The Confessions (The Works of Saint Augustine) - St Augustine***  
2020-10-24

One of the most valued books in Christian literature, St. Augustine of Hippo's *Confessions* are an intensely revealing picture of the saint's difficult search for the truth. In his own day the dominant personality of the Western Church, St. Augustine relates his rare ascent from a humble Algerian farm to the edge of the corridors of power at the imperial court in Milan, his struggle against the domination of his sexual nature, his renunciation of secular ambition and marriage, and the recovery of the faith his mother Monica had taught him during his childhood. We witness the future saint's interest with astrology and with the Manichees, and then follow him through cynicism and disillusion with pagan myths until

he finally reaches Christian faith. There are brilliant philosophical musings about Platonism and the nature of God, and touching portraits of Augustine's beloved mother, of St. Ambrose of Milan, and of other early Christians like Victorinus, who gave up a distinguished career as a rhetorician to adopt the orthodox faith. Augustine's concerns are often remarkably contemporary, yet his work contains many references and allusions that are easily understood only with background information about the ancient social and intellectual setting. The religious and philosophical value of *The Confessions* is unquestionable--now modern readers will have easier access to St. Augustine's deeply personal meditations. This lucid translation and helpful introduction clear the way for a new experience of this classic.

***Revisions* - Saint Augustine (of Hippo) 2014**

*Revisions*, like many of Augustine's works, has a singular purpose. Composed in his old age, he reviews nearly all his writings, summarizing and correcting and even expressing regret. *The Revisions* is important not only for establishing the chronology of Augustine's works but also for providing insight into his own thought and self-evaluation.

978-1-78379-402-7 *The City of God* is a book of Christian philosophy originally written in Latin by Augustine of Hippo in the early 5th century AD. The book was in response to allegations that Christianity brought about the decline of Rome and is considered one of Augustine's most important works, standing alongside *The Confessions*, *The Enchiridion*, *On Christian Doctrine*, and *On the Trinity*. As a work of one of the most influential Church Fathers, *The City of God* is a cornerstone of Western thought, expounding on many profound questions of theology, such as the suffering of the righteous, the existence of evil, the conflict between free will and divine omniscience, and the doctrine of original sin.

***On Grace and Free Will* - St. Augustine St. Augustine of Hippo**  
2018-07-09

Saint Augustine of Hippo was a Roman African, early Christian theologian and philosopher from Numidia whose writings influenced the development of Western Christianity and Western philosophy. He was the bishop of Hippo Regius in north Africa and is viewed as one of the most important Church Fathers in Western Christianity for his writings in the Patristic Era. Among his most important works are *The City of God*, *On Christian Doctrine* and *Confessions*. According to his contemporary Jerome, Augustine "established anew the ancient Faith." In his youth he was drawn to Manichaeism, later to neo-Platonism. After his baptism and conversion to Christianity in 386, Augustine developed his own approach to philosophy and theology, accommodating a variety of methods and perspectives. Believing that the grace of Christ was indispensable to human freedom, he helped formulate the doctrine of original sin and made seminal contributions to the development of just war theory. When the Western Roman Empire began to disintegrate, Augustine imagined the Church as a spiritual City of God, distinct from the material Earthly City. His thoughts profoundly influenced the medieval worldview. The segment of the Church that adhered to the concept of the Trinity as defined by the Council of Nicaea and the Council of Constantinople closely identified with Augustine's *On the Trinity*.
