Shri Sai Satcharita - Govind Raghunath Dabholkar 1999

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In it's veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

Jules Verne, initié et initiateur - Michel Lamy 1984

Etrange compilation qui n'intéressera pas tellement les connaisseurs de l'occultisme, mais plutôt les fervents de Jules Verne, qui se voit

"décrypter" et décoder de manière curieuse.

Beaucoup d'hypothèses très appuyées n'empêchent pas l'agrément de la lecture et fourniront sans doute de nouvelles approches de cette oeuvre.

Enseigner et apprendre la littérature aujourd'hui, pour quoi faire ? - Jean-Louis Dufays 2008

Contributions de chercheurs en didactique de la littérature. S'intéressant à l'enseignement-apprentissage de la littérature en français langue première, elles mettent en perspective cette thématique d'un point de vue historique et socio-économique et abordent des thèmes comme la relation entre l'école et la littérature, l'évaluation et les pratiques enseignantes.

Love and its Critics - Michael Bryson 2017-07-10

This book is a history of love and the challenge love offers to the laws and customs of its times and places, as told through poetry from the Song of Songs to John Milton's Paradise Lost. It is also an account of the critical reception afforded to

such literature, and the ways in which criticism has attempted to stifle this challenge. Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called *fin'amor*: love as an end in itself, mutual and freely chosen even in the face of social, religious, or political retribution. Neither eros nor agape, neither exclusively of the body, nor solely of the spirit, this love is a middle path. Alongside this tradition has grown a critical movement that employs a 'hermeneutics of suspicion', in Paul Ricoeur's phrase, to claim that passionate love poetry is not what it seems, and should be properly understood as worship of God, subordination to Empire, or an entanglement with the structures of language itself - in short, the very things it resists. The book engages with some of the seminal literature of the Western canon, including the Bible, the poetry of Ovid, and works by English authors such as William Shakespeare and John Donne, and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature. Lively and enjoyable in its style, it attempts to restore a sense of pleasure to the reading of poetry, and to puncture critical insistence that literature must be outwitted. It will be of value to professional, graduate, and advanced undergraduate scholars of literature, and to the educated general reader interested in treatments of love in poetry throughout history.

White Spirit - Paule Constant 2005-01-01
Working with an import-export company, Victor boards a rickety boat called *The Will of God* and sails from France to Port-Banane, an outpost in an unnamed, contemporary African country. The banana plantation boss, is bringing along a beautiful, light-skinned black French prostitute, Lola. Victor, who's infatuated with Lola, is put in charge of the banana plantation's local store.

Lola still aspires to whiteness, so Victor sells her a corrosive powder {the "White Spirit" of the title} that bleaches her skin. The remainder of the powder ends up in the hands of a fanatical African religious leader, who puts the substance to horrific use.

Body and Spirit in the Middle Ages - Gaia Gubbini 2020-08-10

A crucial question throughout the Middle Ages, the relationship between body and spirit cannot be understood without an interdisciplinary approach - combining literature, philosophy and medicine. Gathering contributions by leading international scholars from these disciplines, the collected volume explores themes such as lovesickness, the five senses, the role of memory and passions, in order to shed new light on the complex nature of the medieval Self.

The Legal Status of *Ḍimmī*-s in the Islamic West - María Isabel Fierro 2013

The first monograph devoted to the legal status of religious minorities status accorded to *Ḍimmī*-s (Jews and Christians) in the Muslim law in the medieval Muslim west (the Maghreb and Muslim Spain). The articles in this volume provide numerous examples of the richness and complexity of interreligious relations in Medieval Islam and the reactions of jurists to those relations. The studies brought together in this volume provide an important contribution to the history of *Ḍimmī*-s in the medieval *dār al-islām*, and more generally to the legal history of religious minorities in medieval societies. The central question addressed is the legal status accorded to *Ḍimmī*-s (Jews and Christians) in the Muslim law in the medieval Muslim west (the Maghreb and Muslim Spain). The scholars whose work is brought together in these pages have dealt with a rich and complex variety of legal sources. Many of the texts are from the *Mālikī* legal tradition; they include *fiqh*, *fatwā*-s, *ḥisba* manuals. These texts function as the building blocks of the legal framework in which

jurists and rulers of Maghrebi and Peninsular societies worked. The very richness and complexity of these texts, as well as the variety of responses that they solicited, refute the textbook idea of a monolithic *ḍimmī* system, supposedly based on the Pact of 'Umar, applied throughout the Muslim world. In fact when one looks closely at the early legal texts or chronicles from both the Mashreq and the Maghreb, there is little evidence for a standard, uniform *ḍimmī* system, but rather a wide variety of local adaptations. The articles in this volume provide numerous examples of the richness and complexity of interreligious relations in Medieval Islam and the reactions of jurists to those relations

Chemical Ecology - Anne-Geneviève Bagnères
2016-08-29

The book features comparative perspectives on the field of chemical ecology, present and future, offered by scientists from a wide variety of disciplines. The scientists contributing to this book –biologists, ecologists, biochemists, chemists, biostatisticians – are interested in marine, freshwater and terrestrial ecosystems and work on life forms ranging from micro-organisms to mammals, including humans, living in areas from the tropics to polar regions. Here, they cross their analyses of the present state of chemical ecology and its perspectives for the future. Those presented here include complex, multispecies communities and cover a wide range both of organisms and of the types of molecules that mediate the interactions between them. Up to now, no book has presented a solid scientific treatment of a wide range of examples. This book illustrates a diverse panel of the most advanced aspects of this rapidly expanding field.

The Diving Bell and the Butterfly - Jean-Dominique Bauby 2008-03-06

A celebration of the liberating power of consciousness—a triumphant book that lets us

witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

Visits to the Most Holy Sacrament, Etc., for Every Day in the Month - Alphonsus M. Liguori
2018-12-06

Excerpt from Visits to the Most Holy Sacrament, Etc., For Every Day in the Month: Aspirations of Love to Jesus in the Holy Eucharist; Rules for Frequent Communion, With a Defence of the Same; Meditations for Every Day in the Week; And a Novena for All Soul's Day Jesus Christ, he appeared to suffer as much violence as an infant does, when torn from the breast of its mother. And, when he was obliged to depart, it is said that he stood looking at the altar, and bowed several times, as if he knew not how to leave the society of his Lord, whose presence was so sweet and pleasing to him. St. Lewis Gonzaga was commanded not to remain before the blessed sacrament; but, in passing before the altar, he felt himself drawn by the sweet attractions of his Saviour to remain with him, and with reluctance retired, saying with tenderness Of love, Recede a me, Domine, recede. It was at the foot of the altar that St. Francis Xavier found repose and refreshment after the many labors he endured in India; for, after spending the day in saving souls, he employed the night in prayer before the most holy sacrament. Such too, was the practice of St. John Francis Regis, who, when he found the church closed, consoled himself by remaining on his knees in the rain and cold, to honor and adore from a distance his comforter in the holy sacrament. In all his difficulties, St. Francis of Assisi had immediate recourse to Jesus in the holy sacrament. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Studies in French Cinema - Will Higbee 2011
Studies in French Cinema looks at the development of French screen studies in the United Kingdom over the past twenty years and the ways in which innovative scholarship in the UK has helped shape the field in English- and French-speaking universities. This seminal text is also a tribute to six key figures within the field who have been leaders in research and teaching of French cinema: Jill Forbes, Susan Hayward, Phil Powrie, Keith Reader, Carrie Tarr, and Ginette Vincendeau. Covering a wide range of key films—contemporary and historical, popular and auteur—the volume provides an invaluable overview for students and scholars of the state of French cinema, and French film studies at the beginning of the twenty-first century.

H. P. Lovecraft - Michel Houellebecq 2019-09-03
The award-winning French novelist pays tribute to a literary hero in this critical biography of the master of horror—with a foreword by Stephen King. Best known for his acclaimed novels, such as the Prix Goncourt-winning *The Map and the Territory*, Michael Houellebecq devotes his single work of nonfiction to the pioneering author of horror and weird fiction, H. P. Lovecraft. In a volume that is part biographical sketch and part pronouncement on existence

and literature, France's most famous contemporary author praises his prewar American alter ego, whose style couldn't be less like his own. With a foreword by Lovecraft admirer Stephen King, this eloquently translated edition is an insightful introduction to both Lovecraft's dark mythology and Houellebecq's deadpan prose.

[The Emancipated Spectator](#) - Jacques Ranciere
2014-04-08

The theorists of art and film commonly depict the modern audience as aesthetically and politically passive. In response, both artists and thinkers have sought to transform the spectator into an active agent and the spectacle into a communal performance. In this follow-up to the acclaimed *The Future of the Image*, Rancière takes a radically different approach to this attempted emancipation. First asking exactly what we mean by political art or the politics of art, he goes on to look at what the tradition of critical art, and the desire to insert art into life, has achieved. Has the militant critique of the consumption of images and commodities become, ironically, a sad affirmation of its omnipotence?

Érasme, précurseur et initiateur de l'esprit moderne - H. Durand de Laur 1872

Mapping a Tradition - Sam Haigh 2000

In recent years, critical interest in francophone literature has become increasingly pronounced. In the case of the French Caribbean, the work of several writers (Aime Césaire, Frantz Fanon, Édouard Glissant and Patrick Chamoiseau, for example) has gained international recognition, and has formed a vital part of more general debates on history, culture, language and identity in the post colonial world. The majority of such writers, however, have been male and, perhaps recalling the preference that France has always shown for the island, have come in large part from Martinique. *Mapping a Tradition: Francophone Women's Writing from Guadeloupe* aims to explore a different side of francophone Caribbean writing through the examination of selected novels by Jacqueline Manicom, Michele Lacrosil, Maryse Conde, Simone Schwarz-Bart and Dany Bebel-Gisler. Placing the work of these writers in the context of that of their better-known, male counterparts, this study argues that

it has provided an important mode of intervention in, and disruption of, a literary tradition which has failed to address questions of sexual difference and has often excluded issues relating to French Caribbean women. At the same time, this study suggests that Guadeloupean women's writing of the last thirty years may be seen to constitute a 'tradition' in itself, replete with its own influences and inheritances. At once within, and outside the 'dominant' tradition, women's writing from Guadeloupe - and Martinique - has come to occupy a position at the forefront of contemporary efforts to expand and redefine a still-burgeoning corpus of literary and theoretical work.

A Time of Silence - Michael Richards
1998-09-17

An account of the fierce repression and economic misery in wartime Spain 1936-45.
Deleuze and Guattari's Anti-Oedipus - Eugene W. Holland 2002-01-04

Eugene W. Holland provides an excellent introduction to Gilles Deleuze and Felix Guattari's *Anti-Oedipus* which is widely recognized as one of the most influential texts in philosophy to have appeared in the last thirty years. He lucidly presents the theoretical concerns behind *Anti-Oedipus* and explores with clarity the diverse influences of Marx, Freud, Nietzsche and Kant on the development of Deleuze & Guattari's thinking. He also examines the wider implications of their work in revitalizing Marxism, environmentalism, feminism and cultural studies.

Never Grow Up - Jackie Chan 2019-09-10
"You'll be hard-pressed to find a Hollywood memoir with this much blood and (broken) bone" (Entertainment Weekly) in this candid, thrilling autobiography from one of the most recognizable, influential, and beloved cinematic personalities in the world. Everyone knows Jackie Chan. Whether it's from *Rush Hour*, *Shanghai Noon*, *The Karate Kid*, or *Kung Fu Panda*, Jackie is admired by generations of moviegoers for his acrobatic fighting style, comic timing, and mind-bending stunts. In 2016—after over fifty-five years in the industry, over 200 films, and many broken bones—he received an honorary Academy Award for his lifetime achievement in film. But Jackie is just

getting started. Now, in *Never Grow Up*, the global superstar reflects on his early life, including his childhood years at the China Drama Academy (in which he was enrolled at the age of six), his big breaks (and setbacks) in Hong Kong and Hollywood, his numerous brushes with death (both on and off film sets), and his life as a husband and father (which has been, admittedly and regrettably, imperfect). In this “impossibly colorful memoir” (USA TODAY),

Jackie applies the same spirit of openness to his “legendary life, with many fascinating stories waiting for you to discover” (Jet Li), proving time and time again why he’s beloved the world over: he’s honest, funny, kind, brave beyond reckoning and—after all this time—still young at heart.

The Book of Dzyan - Helena Blavatsky 1979
The Book of Dzyan is a sacred text containing esoteric wisdom on the nature of existence, the Seven Creations, and cosmic evolution.
